MEMORANDUM OF UNDERSTANDING / AGREEMENT

This memorandum of understanding is signed on the **11/06/2018** between the following institutions.

KRINYDI TECHNOLOGIES, HYDERABAD

AND

SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY

This memorandum of understanding is proposed in order to establish a teaching lab facility using Analog and digital communication system kits at **Sri Venkateswara College of Engineering and Technology (SVCET)**, Etcherla Srikakulam Andhra Pradesh, 532410. Through this memorandum of agreement, the two parties agree the following.

A steering committee will setup to monitor the activities of MOU. The committee will consist of **Principal Dr. M. Govinda Raju, Head of the Institution**, here in after referred to as SVCET and **Mr. T. Vamshi Krishna Manager of Krinydi Technologies** with mutual consent. The steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far as the implementation of the activities of MOU, continuation of the MOU and termination of the MOU are concerned.

1) AREAS OF COLLABORATION

- a) Technical Trainings
- b) Internship
- c) Technical Workshops
- d) Joint research projects/proto types
- e) R & D cell establishment

- 2) **Lab setup:** The college will be utilizing their existing lab to setup **Digital communication system lab** agrees to donate kits to college under JNTUK university course to setup **Digital communication system lab**. The college will be responsible for purchasing any other equipment's required to set up the lab for maintenance of the lab. **KRINYDI TECHNOLOGIES** agrees to set up the lab and provide the necessary initial training and learning materials to begin with utilization of lab.

KRINYDI TECHNOLOGIES

Exploring Electronics

3) **Curriculum:** The college will explore ways to introduce a lab-based courses using **Digital communication system kits** in their UG/PG engineering curriculum communication system kits in their UG/PG engineering curriculum.

4) **Workshops:** If the college wishes to organize a national event in the area of **Digital communication** platform. **KRINYDI TECHNOLOGIES, HYDERABAD** Will provide speakers.

Validity of MOU: The MOU is valid for period of one year from the date of signing by the authorized signatory of each party

UNWIND LEARNING LABS and Sri Venkateswara College of Engineering and Technology

1. Scope

This Memorandum of Understanding ("MOU") is entered into by and between UNWIND LEARNING LABS private limited, 2nd floor, Enclave, B2, Harsha paradise, Tadepalli, Amaravathi, AP-522501, and Sri Venkateswara College of Engineering and Technology, Etcherla, Srikakulam District, Andhra Pradesh.

WHEREAS, this MOU is agreed between Unwind Learning Labs Private Limited and Sri Venkateswara College of Engineering and Technology, for setting up of Training centre for various social welfare programs, Skill development programs under Central, State government schemes, Programs and other private Skill Training programs and undertake consultancy assignments.

2. Statement of work

Sri Venkateswara College of Engineering and Technology agrees to the following;

- Earmark and allocate classrooms and labs and equipment's and Trainers as per the standards and requirements of the specific program time- time as provided by Unwind Learning Labs
- Provide Trainers as per the norms specified by Govt of India /approved agency
- Provide full-fledged consulting assignment in the given field of work/ consulting assignment as assigned by Unwind learning Labs private limited time to time

Unwind Learning Labs agrees to the following

- Establish Training Centre for various programs as per the standards of the program and inform the institution well ahead of the program
- Provide the curriculum, content, books, materials and other training aids for the program
- Initiate Consultancy Operational Model for the Institution through Industry Application Development and Solutions Consulting
- Change Management- Towards Tiered Training Plan & Technology Leadership

Memorandum of Understanding

3. Term of the MOU

The term of this MOU shall commence on 12-June-2018 or the date on which both parties sign the contract, whichever date is later, and end on 12-June-2019, or until the MOU is terminated pursuant to the terms contained herein, whichever event occurs first.

4. Compensation

- A Lease amount /Rental amount will be paid by Unwind Learning Labs towards the usage of infrastructure as per the annexure clause 1
- Compensation will be paid by Unwind learning labs towards consulting assignment to the Institution/faculties involved in the project as per the standards
- Students will be paid a stipend for the duration of Training as per government norms.

5. Infrastructure

Sri Venkateshwara College of Engineering and Technology will provide the infrastructures of class rooms, auditoriums, Work Stations and computers and other equipment's as and when required for the Process.

6. Rights in data, patents and copyright

Unwind Learning Labs reserves all rights and authority for the contents, presentations, materials, preparatory materials, Functional Spec, Technical Spec, IPR Rights for ideas supported and provided for Training, Application development, training documents shared/provided during the programme. Any documents mentioned should not be shared/used/copied/modified for other purposes/ with other parties/ other departments without the written consent from Unwind Learning labs authorities.

The terms and clauses of Confidentiality, Non-Competition, and Non-Solicitation to be carried out in spirit and letter and in all ethical and business ways is made between Unwind Learning Labs and Sri Venkateswara College of Engineering and Technology along with its subsidiaries, parents, joint ventures, affiliated entities, and includes its successors and assigns or any such related entities of uplifting the terms and in particular of.

7. Amendments or Modification

No amendment or modification of this MOU shall be effective against either party unless such amendment or modification is set forth in writing and signed by both parties.

MEMORANDUM OF UNDERSTANDING BETWEEN

Date: **15.06.2018**

Roboion A Techno Solution Academy and having its office at Bapuji Nagar, Kancharapalem, Visakhapatnam- 530008 (herein after referred to as ROBOION), on the one part.

And

Sri Venkateswara College of Engineering & Technology, NH-16, Etcherla, Srikakulam, Andhra Pradesh-532410, (herein referred to as SVCET) on the second part.

In this connection, the following Points are agreed upon:

1. Objective

The overall objective is to provide training to the students of Sri Venkateswara College of Engineering & Technology, in the pre-designed courses, and support students on a continuous basis in order to make the students industry competent.

2. Recitals

a. ROBOION is in the business of providing Training and Consultancy Services and other allied business for its Clients worldwide with a vision to become a **"Nerve Centre of Industry"** for empowering society through advanced technologies and a mission to provide high quality, employment-oriented training & qualification, consultancy and related services in advanced technologies, aimed at making Industry globally competitive and at improving employability of technical personnel including the disadvantaged groups of the society.

b. Sri Venkateswara College of Engineering & Technology, was established with a vision of "Emerge as a centre of Excellence and Eminence to produce globally competent professionals adorned with social values" and with a mission to 'Impart a perfect blend of value based, industry relevant, and quality education towards employable graduates'.

c. Sri Venkateswara College of Engineering & Technology is committed to "Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values".

d. The purpose of this agreement is with reference to defining the areas of cooperation, benefiting both the Sri Venkateswara College of Engineering & Technology and ROBOION.

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

Areas of cooperation

2.Scope of Agreement:

ROBOION:

- ROBOION to liaison with Sri Venkateswara College of Engineering & Technology, for providing training to the students and come up with strategy to deliver tailor made courses.
- ROBOION to provide the Sri Venkateswara College of Engineering & Technology, the methodology and content of the training for the above interaction.
- ROBOION will provide training on the specified list of Courses to the students and faculty.
- ROBOION will bring latest software and advanced hardware training Kits to Sri Venkateswara College of Engineering & Technology, for trainings.
- ROBOION will organize Seminars/Workshops at Sri Venkateswara College of Engineering & Technology, with National and International Experts in the advanced technologies.

Sri Venkateswara College of Engineering & Technology:

- Sri Venkateswara College of Engineering & Technology will identify and provide 30 students per batch.
- Sri Venkateswara College of Engineering & Technology would setup- ROBOION Technology Center in the college campus by exclusively naming as above and making available:
- One furnished Lab/class room with minimum 30 Systems and audio - visual aid will be provide for the students.

4. Training Support & Methodology

- Trainings shall be arranged at the Sri Venkateswara College of Engineering & Technology premises.
- ROBOION shall provide all support needed for imparting the necessary training to the students of Sri Venkateswara College of Engineering & Technology premises. Training is expected to be completed in one academic year.
- ROBOION and Sri Venkateswara College of Engineering & Technology will jointly certify the participants of training programme after successful completion.

5. General Agreements

- Both the parties agree that no action/failure on either behalf to act relating to the above proposal will give rise to/serve as the basis for any claim, obligation or liability on either side.
- The trainers of ROBOION are not responsible for any damage / malfunction of hardware or computer system in the Sri Venkateswara College of Engineering & Technology labs during the training period.
- The labs identified for training has to be looked after by the respective lab in-charge of the college.
- Neither party shall issue any press release, public announcement or other such disclosure concerning this Agreement without the other party's prior consent as to such release or announcement.
- This Agreement may not be amended without the prior written consent of both the parties.

Termination: Either party can cancel or terminate this Agreement unilaterally (and with out reason), by giving an advance notice of six (6) months to the other. This agreement will be for one year with affect from the date of signing.

3. Course deliverables:

The courses that could be offered from Sri Venkateswara College of Engineering & Technology- ROBOION Technology Centre at the partner Sri Venkateswara College of Engineering & Technology and the number of beneficiary student are tabled here under:

+919505881084

www.roboionacademy.com
roboionacademy@gmail.com

kancharapalem, visakhapatnam,
530008

*Practical training on module 3 shall be conducted at ROBOION campus subject to non-availability of required lab equipment at Sri Venkateswara College of Engineering & Technology

- ROBOION will follow its standard methodologies related to course conduct, student attendance, globally accepted quality norms, student feedback, internal assessments, projects, examination, evaluation and certification, during the term of the Joint Venture for smooth & effective delivery of course content.
- The above on-site course training will take place at Sri Venkateswara College of Engineering & Technology premises and the minimum & maximum student batch size for commencing a batch will be 25 & 30 respectively.
- The above courses can vary from time to time and new courses will be added upon discussion with the two parties.
- Course fee can be discussed and decided from time to time on mutually agreed basis.
- Out of these proposed 20 different courses offered, the partner college can choose any number of training courses suiting to the college curriculum and student's interest. ROBOION will offer flat 25% discount (on the prevailing amount) in the fee for 25 students and additionally, offer free training to meritorious five students identified by the college. Minimum 10 batches of training (out of the proposed 20 different courses) have to be necessarily assured by the partner college management to avail the above offer.
- Sri Venkateswara College of Engineering & Technology fully understands that the same is a fair estimate of the expenditure incurred by ROBOION for designing & developing the program content, acquiring the necessary principal licenses and for providing lectures by National & International experts in the current technologies.
- In the courses that will run at ROBOION, subsidized course fee will be charged to students

- 1.3** The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2: SCOPE OF THE MoU

2.1 Industrial Training & Visits

Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also, the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures

Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of Trained Students

Second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

- 2.4** There is no financial commitment on the part of the Sri Venkateswara College of Engineering and Technology (SVCET), Etcherla, Srikakulam Andhra Pradesh, 532410, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

- 2.5** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3: VALIDITY

- 3.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed.

Andhra Pradesh -532410 (II party)

This Memorandum of Understanding is entered in to the 18th Day of June-2018 between

*Avanthi's St. Theresa Institute of Engineering & Technology (I party) and
Sri Venkateswara College of Engineering & Technology (SVCET) (II party)*

Objectives of MOU:

The purpose of M.O.U is with reference to exploring the areas of co-operation, benefitting both the Institutions. The areas of co-operation are

- To explore the possibilities of mutual support in the field of learning, training etc.,
- To establish meaning full in linkages between the Institutions.
- To achieve excellence in Technical Education through an attitude of Outreach & Partnership.
- Encourage faculty members to collaborate on research, teaching, and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.
- Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Committed for achieving Excellence in Technical Education

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

1. The validity of the agreement is two years from the date of agreement.
2. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Signed by signatory representative of parties to this MoU.

THE TALENT SHINE INSTITUTE

"Achieve your Dream Job – through THE TALENT SHINE"

Date: 19/06/2018

MEMORANDUM OF UNDERSTANDING

1. **THE TALENT SHINE INSTITUTE, KURMANNAPALEM, VISAKHAPATNAM** (here in after referred to as the talent shine institute which expression shall include its successors and assigns) on the ONE PART through its authorized signatory Mr.M.Venu Gopala Rao, CEO& Co-founder, The Talent Shine Institute.
2. **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY**, Etcherla, Srikakulam Andhra Pradesh, 532410 represented by its **Principal Dr. M Govinda Raju, Head of the Institution**, here in after referred to as **SVCET**.
3. The second Party is an Engineering college which is offering technical Education.
4. The first party is entitled to train the students for theirplacements requirements in the sections of technical training, competitive coding and cognitive skills required for placements.
5. Whereas the second party agrees to notify seven batches of the Third YearB.Tech students to undertake their training at the premises of the Second Party with necessary infrastructure and avail the technical assistance to the trainees.

SCOPE OF MOU AND TRAINING FEE:

6. The nature and concept of The Talent Shine Institute is to facilitate those participants, who need the requisite technical training, accorded by the second party with the aid and assistance of the first party. The participants are the Third year Engineering Students of Sri Venkateswara College of Engineering and Technology.
7. Number of Batches -7
8. The Training sessions will be conducted either in offline mode.
9. The first party will give guidance to students for developing their Technical Skills i.e. Coding skills for campus placements
10. Individual attention guaranteed by trainees belonging to the first party.
Administrative control to be exercised by the Second party.
11. During training, college should be provided hospitality (both food and accommodation) during training days for trainers of first party
12. Second party should provide the required class rooms, classes, other equipments required for trainers to train students
13. First party will provide online practice for placements and also conducts tests during training to assess the students' performance
14. Training Fee – Rs. 9000 (including tax) per day per trainer

BINDING

The parties hereby acknowledged and agreed that: The terms of this memorandum are intended to be legally binding on the parties hereto

Praveen Kumar**, (herein after referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors in-office, administrators and staff).

(**First Party** and **Second Party** are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A. First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- B. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- C. Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.
- D. Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

I. CO- OPERATION

- 1.1 Both Parties are united by common interests and objectives and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

II. SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First & Second Party will share valuable inputs to the in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Skill Development Trainings:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs

S INNOVATIONS
PVT LTD

- 2.4 / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Value Added Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready. Both Parties have agreed to carry out the joint research activities in the fields of AI, ML, Embedded Systems, IoT, VLSI, Electric Vehicle, Renewable Energy, Software Domains and any technology domains that the Second Party has expertise through.
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the above fields
- 2.7 **Guest Lectures & Faculty Development Programs:** Second Party to extend the necessary support to deliver guest lectures and coordinate Faculty Development Programs to the Staffs and student community, who have / will enroll with the First Party on the technology trends and in house requirements.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students into internships / jobs.
- 2.9 **Internship:** Second Party will engage and train the students as per the industrial demands in terms on Internship Programs
- 2.10 **Projects and Research Work:** Second Party will provide the necessary support to the student's community to complete their projects and the research works.

III. INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

IV. VALIDITY

- 4.1 This Agreement will be valid for a period of 1(ONE) years until it is expressly terminated by either Party on mutually agreed terms, during which period, either parties, as the case may be, will take effective steps for implementation of this MoU. Any act on the part of either parties after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU
- 4.2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations. Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdictions.

The signing of this MOU by authorized representatives of Parties A and B will make it binding on the parties. Effective date is 16.07.2018.

II. PURPOSE & SCOPE

To that end, the parties hereto have entered into this Memorandum of Understanding (MOU) in order to define their respective responsibilities and commitments with respect to the joint effort to foster an entrepreneurial spirit among the students enrolled in the Entrepreneurship Development certificate course offered by SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY.

1. Host a series of seminars devoted to the growth of new businesses
2. Hold hands-on workshops on the topic of fostering entrepreneurship
3. Create potential for independent work
4. Fourth, help kids launch businesses.
5. Set up the placement of educated pupils

III. the Second Party will provide First Party students with education on cutting-edge technology in an effort to close the skills gap and better prepare them for careers in the business world.

IV. The Second Party will provide the resources required to host guest speakers who can educate the First Party's pupils on the latest developments and needs in information technology. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

V. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

- I. As of the day this MOU is signed by both parties, it is in force for a period of ONE (1) year. With consent from both parties, the term may be extended for a further period.
- II. Any party may cancel this MoU with three months' written notice and the payment of any outstanding obligations.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MoU') is entered into on this (18/07/2018), by and between (18/07/2019)

ANU DIGITAL SOLUTIONS, THE SECOND PARTY, and represented herein by its **Mrs. SIRISHA. D**, Director (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

AND

SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY, Etcherla, Srikakulam,, Andhra Pradesh. 532410. THE FIRST PARTY represented herein by its **Dr. M.GOVINDA RAJU.**, Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

WHEREAS:

First Party, **SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY** is located in Etcherla, Srikakulam,, Andhra Pradesh. 532410.. First Party, **SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY** was established in the Academic year 2001-2002 with the sole objective of catering to the needs of quality technical education in an area, though remotely situated, bristles with potential for development. A self-financed college sprawling over 27 acres of land of scenic landscape has been laid out to create a unique learning environment. The college is located 5 kms away from Yemmiganur town on Yemmiganur - Kurnool Road.

Second Party, **ANU DIGITAL SOLUTIONS**, located in the city of Hyderabad was established in the year 2016 and is registered as <http://thestageproductions.in/>. **ANU DIGITAL SOLUTIONS** is a group of expert specialists, consultants, designers and digital marketers experienced in everything Software & IT related. Our mission is to give excellent innovative and supportable arrangements while creating enduring customer connections.

Our vision is to set another standards in Digital Marketing and Developing Software's at empowered administrations. The Parties believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

- 1.1 The Parties intent to cooperate and focus their efforts on cooperation within area of Training, Placement, Education, Consultancy, Research and other Technical matters.
- 1.2 Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

2. CO-OPERATION

- 2.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- 2.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 2.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MoU.
- 2.4 The terms of cooperation shall be mutually decided between the Parties on case-to-case basis. This MoU shall represent the entire understanding as to the subject matter hereof and shall encompass any prior understanding between the Parties on the subject matter hereof.

3. SCOPE OF THE MoU

- 3.1 The talented students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both Parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 3.2 **Curriculum Design:** Second Party may participate in this process as and when the First Party extends invitation for such activity. The cooperation may be sought in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 3.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party may permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with First Party.
- 3.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of their expertise. The outcome of the R&D would be subject to the INTELLECTUAL PROPERTY section of this MoU.
- 3.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready and vice-versa.
- 3.6 **Expert Lectures:** Second Party to extend the necessary support to deliver expert lectures to the students of the First Party on the technology trends and in-house requirements and vice-versa.
- 3.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the requirement in concerned sector/specialization, if available and vice-versa.
- 3.8 **Training and Placement of Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for the students.

- 3.9 **Consultancies, R&D and other Academic Matters:** The Parties will extend cooperation to each other in such a manner that it is mutually beneficial but does not create a conflict of interest on either's part. If such situation arises, the terms mentioned in the ARBITRATION section of this MoU would be resorted to.
- 3.10 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 3.11 There is no financial commitment on the part of the First Party. However, in case of sponsored/financially supported or externally funded programs, the liability of the First Party will be limited to the extent of financial benefit of First Party or may be decided by the competent authority of First Party in the interest of students.
Each Party agrees that it shall not, at any time, after executing the activities of this MoU, disclose any information in relation to these activities or the affairs of business or method of carrying on the business of the other without consent of both Parties.
- 3.12 It is expressly agreed that First Party and Second Party are acting under this MoU as independent entities, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
- 4. INTELLECTUAL PROPERTY**
- 4.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.
- 4.2 The rights of the First Party are reserved through the IPR Policy of the First Party. Notwithstanding anything, any consequence arising out of this MoU would not infringe/contravene any of the provisions of the IPR Policy of the First Party.

5. ARBITRATION

- 5.1 Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultations and agreements by both Parties.
- 5.2 In the event of non-resolution of disputes through mutual consultation, the Parties hereby submit to the exclusive jurisdiction of the Telangana Courts of Law. The arbitration shall be conducted in accordance with Arbitration and Conciliation Act of 1996 and the venue of the arbitration shall be in Kota jurisdiction of dispute.
- 5.3 FORCE MAJEURE: In no event shall the Parties be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God.
- 5.4 It is being understood that the Parties shall use reasonable efforts which are consistent with accepted practices in the academia to resume performance as soon as practicable under the circumstances.

6. DURATION

- 6.1 This Memorandum of Understanding shall become effective upon signing by both Parties and shall remain in effect for a duration of ONE (1) years. It may be extended for another duration with mutual agreement.
- 6.2 The MoU may be terminated by either Party by giving three months' notice and settling all outstanding dues, if any, within that period.
- 6.3 If a sponsored or joint project is underway at the termination of this MoU, the MoU would be deemed to have been extended till the completion of the Project. At the termination of the MoU or any joint project, any property created in execution of joint projects shall remain *in-situ*.

Memorandum of Understanding

between

SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY
and

Grease Bolts

This Memorandum of Understanding (MOU) is entered into on this 21/07/2018 day of 21/07/2019, by and between SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and GREASE BOLTS. Dr. M GOVINDA RAJU (Principal) of SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and Deepthi Agarwal (Managing Director) GREASE BOLTS agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post-doctoral students at the partner institutions;
- Dual degree programs;
- Faculty and student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer joint electives;
- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Dual degree programs;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering (see appendix 1),

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Cooperation in Education and Research

In order to facilitate student exchanges between Grease Bolts and SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY, the following section provides general procedural information under which the exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate, graduate, or post-doctoral students. Each exchange may be for the duration of one academic year, one academic semester, or one intensive course, normally three or four weeks in length, scheduled either between academic terms or during the summer.

Whenever possible, courses will be team taught by one faculty member from Grease Bolts and one faculty member from SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY. Courses may be taught at SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY, at, or concurrently at both campuses through online capabilities.

Students may engage in paid co-op or paid internship opportunities through placements by the host institution, providing they meet the legal criteria of the host country.

[Note: International students studying in the United States must comply with U.S. immigration regulations. Typically, U.S. Immigration law requires that an international student maintain full-time status, prohibits them from taking more than one on-line course per semester, and imposes restrictions on off-campus employment. More flexibility is granted to graduate students visiting the U.S. for the purpose of research towards the completion of a thesis/dissertation in their home countries. International students studying in the United States will be required to purchase health insurance to meet certain standards such as medical evacuation and repatriation of remains.]

If two faculty members from each institution are engaged in collaborative research projects, doctoral students at one institution may visit and work in the lab of the faculty member at the other institution and incorporate the work done as part of their dissertation research. When connected to funded research projects, the host institution will endeavor to provide a stipend for the visiting doctoral student.

Responsibilities of home institution for academic semester or academic year exchanges:

The home institution will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year abroad (e.g., medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.

Responsibilities of the host institution for academic semester or academic year exchanges:

The host institution will:

- Be responsible for admission decisions of students recommended by the home institution.
- Provide an orientation program for incoming students.
- Endeavor to ensure that students are admitted to courses regarded as essential to their academic programs at their home institutions.
- Assign an academic advisor to all incoming students.
- Assist the incoming student in securing housing.
- Inform the incoming student of health insurance requirements.
- Provide the home institution with a final transcript of the student's academic performance.

Short intensive courses:

Short intensive courses, offered during the summer or between semesters, will be taught by a faculty member from either SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY. Students will pay a flat fee to their home institutions for the course and that fee will include:

- Airfare to and from the host country;
- Transportation within the host country;
- Accommodation in the host country;
- Any additional fees charged by the host institution.

9666570385

info@greasebolts.com

602, 5th Floor, Bachupalli, Miyapur,
Bollaram Road, Hyderabad,
Telangana 500072

total cost of each course will differ according to the location of the host country and the nature of the course being taught.

Students will bear the cost of:

- Their own health insurance and any medical bills or non-mandatory fees;
- Food, living expenses, and any other costs relating to the exchange;
- Books and necessary academic supplies necessary for the course.

The number of credit hours each student will earn will depend on the nature and length of the course and by the department/faculty offering the course.

The primary contacts for this MOU are for Grease Bolts and Provost for SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY. As previously noted, the parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two institutions will require the approval of appropriate officers from each institution. All agreements and activities covered under this MOU or entered into by the parties must comply with all applicable laws and regulations, including all U.S. and India export control laws and regulations.

For agreed upon activities, both institutions will make available their facilities and staffs. This MOU will take effect on and will be valid for one (1) year from the date noted in the first line of this document unless terminated by one of the parties. Either party may withdraw from this MOU provided written notification of the withdrawal is given to the other party at least three (3) months prior to the desired withdrawal date. This MOU may be renewed for another period of one (1) year upon mutual written consent of the parties before the expiration date. Each institution will have copies of this agreement.

Sri Venkateswara College of Engineering & Technology
ETCHERLA, Srikakulam-532410 (A.P)

Dr. M GOVINDA RAJU (Principal)
SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY

Appendix 1 (Sample)

The Collaboration will initially focus on developing partnerships in the areas of Sustainability

Rationale

There are strong similarities between SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and GREASE BOLTS, particularly from a planning/ facilities/ sustainability standpoint. Both Institutions:

- have suburban settings;
- are currently undertaking the largest capital development programs in their histories;
- have similar enrollment numbers;
- have a commitment to maintaining a sustainable campus environment.

Potential Activities

- Student exchange/visits/scholarship between SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and GREASE BOLTS .

MEMORANDUM OF UNDERSTANDING (MOU)

between

EDIGI SKILLS

and

**SRI VENKATESHWAR COLLEGE OF ENGINEERING
TECHNOLOGY**

This is an agreement between “Sri Venkateswara College of Engineering & Technology”, hereinafter called (**Dr. M. Govinda Raju**) Principal and “EDIGI SKILLS”, hereinafter called (Krishna.ch) Managing Director.

I. EFFECTIVE DATE AND SIGNATURE

This MOU shall be effective upon the signature of Parties A and B authorized officials. It shall be in force from 24/07/2018.

II. PURPOSE & SCOPE

The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under **Sri Venkateswara College of Engineering & Technology**.

1. Organize various workshops on Entrepreneurship Development
2. Conduct practical trainings on Entrepreneurship Development
3. Generate self-employment opportunities
4. Assist the students in establishing various start-ups
5. Arrange the placement of trained students

III. College Profile And Responsibilities

Sri Venkateswara College of Engineering & Technology was established in the Academic year 2018-2019 with the sole objective of catering to the needs of quality technical education in an area, though remotely situated, bristles with potential for development. A self-financed college sprawling over 27 acres of land of scenic landscape has been laid out to create a unique learning environment. The college is located Ward No-56 Gonnavanipalem, Aganampudi, Visakhapatnam - 53, Andhra Pradesh.

IV. EDIGI RESPONSIBILITIES UNDER THIS MOU

[EDIGI SKILLS] shall undertake the following activities:

- I. The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- II. The interaction between Industry and College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- III. The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- IV. The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- V. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

V. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

- I. This Memorandum of Understanding shall become effective upon signing by both Parties and shall remain in effect for a duration of ONE (1) years. It may be extended for another duration with mutual agreement.
- II. The MoU may be terminated by either Party by giving three months' notice and settling all outstanding dues, if any, within that period.

MOU

This Memorandum of Understanding (MOU) is made on this 24th JULY, 2018 between:

Sir C R Reddy College of Engineering, Vatluru, Eluru, Andhra Pradesh, India, represented by its **Principal, Dr.G.Samba Siva Rao, Head of the Institution** here in after referred to as **Sir CRRCOE**.

AND

Sri Venkateswara College of Engineering and Technology, Etcherla, Srikakulam Andhra Pradesh, 532410 represented by its **Principal Dr. M Govinda Raju, Head of the Institution**, here in after referred to as **SVCET**;

Both **Sir CRRCOE** and **SVCET** are collectively referred to as the Parties and individually as a Party.

Whereas, **Sir CRRCOE** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, **SVCET** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

Now Therefore, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains.

The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<u>Sir CRRCOE</u> Name of the Coordinator: Dr M. KRISHNA Designation: Professor, CSE Dept , Sir CRRCOE Emailid:marlapallikrishna@gmail.com Contact No. : 9394501367	<u>SVCET:</u> Address: Sri Venkateswara College of Engineering and Technology, Etcherla, Srikakulam Andhra Pradesh, 532410s Contact Details: 9705576693 E-mails: principal_svcet@yahoo.com Web: www.svcet.net
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of ONE year from **July 2018 to July 2019**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Vijayawada, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Vijayawada, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

MEMORANDUM OF UNDERSTANDING

BETWEEN

*Avanthi's Research & Technology Academy,
Basavapalem, Bhogapuram,
Vizianagaram, Andhra Pradesh, 531162. (I party)*

&

*Sri Venkateswara College of Engineering & Technology (SVCET)
Etcherla, Srikakulam,
Andhra Pradesh -532410 (II party)*

This Memorandum of Understanding is entered into the 27th Day of July, 2018 between

*Avanthi's Research & Technology Academy (I party)
and*

Sri Venkateswara College of Engineering & Technology (SVCET) (II party)

Objectives of MOU:

The purpose of M.O.U is with reference to exploring the areas of co-operation, benefitting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaningful linkages between the Institutions.
- iii. To achieve excellence in Technical Education through an attitude of Outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching, and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.
- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Committed to Excellence in Technical Education

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

1. The validity of the agreement is two years from the date of agreement.
2. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Signed by signatory representative of parties to this MoU.

Authorized signatory with seal

MOU

This Memorandum of Understanding (MOU) is made on this 10th August, 2018

between:

KALLAM HARANADHAREDDY INSTITUTE OF TECHNOLOGY, Guntur, Andhra Pradesh, 522019 represented by its **Principal, Dr. B. S. B. Reddy, Head of the Institution** here in after referred to as **KHIT**.

AND

SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY, Etcherla, Srikakulam Andhra Pradesh, 532410 represented by its **Principal Dr. M Govinda Raju, Head of the Institution**, here in after referred to as **SVCET**;

Both **KHIT** and **SVCET** are collectively referred to as the Parties and individually as a Party.

Whereas, **KHIT** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, **SVCET** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

Now Therefore, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains.

- The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

ShanmukhaRao Designation: Professor, EEEDept , KHIT Emailid: lsrlingineni@gmail.com Contact No. : 9440372593	<u>SVCET:</u> Name of the Coordinator: Prof. V K Chakravarthi Designation: Associsate Professor, CE.Dept , SVCET Contact Details: 940546083 E-mails: civilhod.svcet@gmail.com Web: www.svcet.info
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of ONE year from **August 2018 to July 2019**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Vijayawada, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Vijayawada, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

MOU

This Memorandum of Understanding (MOU) is made on this 30TH AUGUST, 2018 between:

SHRI MK EMBEDDED SOLUTION Flat No 404, ELR vision, Dwarka Nagar, 3rd lane Visakhapatnam, Andhra Pradesh 530016, the Second Party represented herein by its Head of the Organization, ES

AND

Sri Venkateswara College of Engineering and Technology (SVCET), Etcherla, Srikakulam Andhra Pradesh, 532410 represented by its **Principal Dr. M Govinda Raju, Head of the Institution**, here in after referred to as **SVCET**;

WHEREAS:

- A) First Party is a Higher Educational Institution named SVCET.
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the

FLAT NO 404, ELR VISION, 3rd LINE, DAWARKANAGAR, VISAKHAPATNAM.

intellectual capabilities.

- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2: SCOPE OF THE MoU

2.1 Industrial Training & Visits

Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also, the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures

Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of Trained Students

Second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

- 2.4 There is no financial commitment on the part of the Sri Venkateswara College of Engineering and Technology (SVCET), Etcherla, Srikakulam Andhra Pradesh, 532410, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

- 2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3: VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed.

Shri MK EMBEDDED SOLUTIONS

CLAUSE 4: RELATIONSHIP BETWEEN THE PARTIES

- 4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.
