PROGRAM REPORT

Name of the program: Sankranti Sambaralu

Date: 09-01-2021

The Management, PRINCIPAL, Staff members and Students of Sri Venkateswara College of Engineering & Technology celebrated "Sankranti Sambaralu" in the college premises 9th January 2021.

Sankranthi is one of the most important festivals for Indians and one that holds immense physical and spiritual significance. It is a festival when farmers rejoice at the good harvest and express their gratitude to the Sun, the Earth and the cattle for their bountiful blessings. It marks the end of the dull and dry winter and the onset of colorful and joyous spring.

The students dressed in their traditional best decorated the premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolis. Students decorated the "Rangolis" by keeping "Gobemmas" at the centre of Rangolis. The initiative was appreciated by the PRINCIPAL of the college and in his Sankranthi wishes message he addressed the students, to fly high on their Dreams and aspirations like a kite, but stay grounded on your values like the string that holds the kite.
