## **B. INTRODUCTION**

Education is not only the driving force for a leader to move ahead in life but also the motivation to take an occasional pause and reflect back, connect with once alma mater and share the richness of their journey. Alumni meet is that pause for every alumnus.

The Alumni Association - Sri Venkateswara College Of Engineering & Technology cordially organized a one day program '1st Alumni Meet' on 23<sup>rd</sup> April, 2016 at college premises followed by Lunch with all the batches starting from 2008 to 2015.

The main objective of this meet is to develop healthy relationship between same educational background peoples. It is very important to organize these kind of events at least once an year to develop good relationship among the students and the Institute.

### **C. WELCOME ADDRESS**

An alumni association is an association of graduates or, more broadly, of former students (alumni). These associations often organize social events, publish newsletters or magazines, and raise funds for the organization. Many provide a variety of benefits and services that help alumni maintain connections to their educational institution and fellow graduates.

Alumni associations are mainly organized around Institutions or departments of universities, but may also be organized among students that studied in a certain country. In the past, they were often considered to be the universities

We are happy to announce that our esteemed Institute has an Alumni Association which has been started on 12<sup>th</sup> March 2016. Here is the brief description regarding to the Association and the governing body.
