2025 Theme: Ek Bharat, Aatmanirbhar Bharat

The context of the National Unity Day 2025 is in the context of the theme of Ek Bharat, Aatmanirbhar Bharat, reflecting both the visionary ambitions of **Sardar Patel** and the ambitions of contemporary India to become a unified power among its people and at the same time be self-reliant. The theme captures the concept of there being more to unity than keeping India unified, but having it become inner-strength-filled, world-confident, and future-ready.

Why is National Unity Day celebrated – History, significance, all you need to know

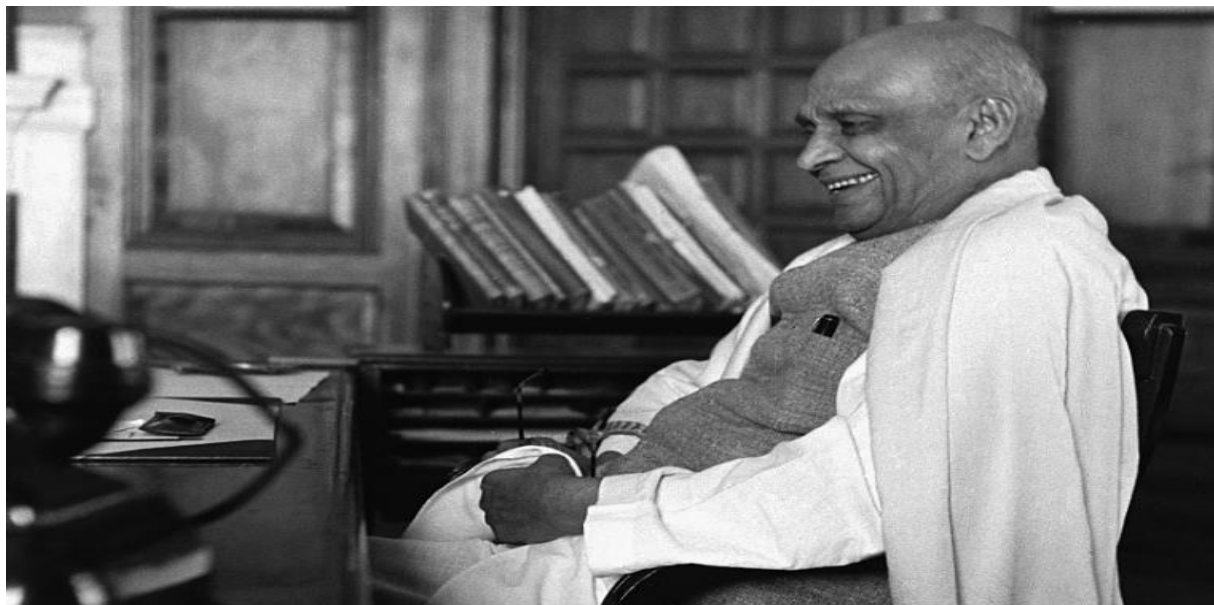

Prime Minister Narendra Modi is in Gujarat today (Friday) to pay tribute to Sardar Vallabhbhai Patel on his birth anniversary, celebrated as 'Rashtriya Ekta Diwas' or National Unity Day, and recalled his immense contribution towards unifying India.

To mark the occasion, Prime Minister [Narendra Modi](#) paid floral tributes to Sardar Patel at the Statue of Unity in Gujarat's Ekta Nagar and took a 'pledge of unity'. He also announced the release of a special commemorative coin and stamp as a tribute.

This year marks **Sardar Patel's 150th birth anniversary**.

RASHTRIYA EKTA DIWAS 2025:

AIR DISPLAY, UNITY MARCH AND RUN FOR UNITY TO MARK SARDAR PATEL'S LEGACY

The national unity day 2025 of India (**Rashtriya Ekta Diwas**) observed on 31 st October is unique because the country honors the 150th birth anniversary of the Iron Man of India, **Sardar Vallabhbhai Patel**. This year, unlike the ceremony, Unity Day coincides with a time when the diversity of the nation and common goals meet with the necessity to unite this nation and to be strong.

The 2025 vision is founded on the theme: Ek Bharat, Aatmanirbhar Bharat -a celebration of unity with the spirit of self-reliance, as India aims to achieve its Viksit Bharat 2047 objective of rounded, future-proof development. **National Unity Day-2025 celebrated in our college campus..**

Program Objectives :

1. **Honor Sardar Vallabhbhai Patel's legacy:** The day commemorates his 150th birth anniversary, recognizing his role in unifying India and promoting national integration.
2. **Promote unity:** Programs aim to reinforce national unity, harmony, and integrity through various activities and celebrations.
3. **Advance the "Ek Bharat, Aatmanirbhar Bharat" (One India, Self-Reliant India) theme:** This theme connects national unity with economic and social self-reliance, aligning with India's goal of becoming a developed nation.
4. **Foster social cohesion:** Events are designed to build stronger emotional bonds between citizens through cultural exchange and mutual understanding.
5. **Highlight national strength:** The celebrations emphasize India's collective strength, resilience, and progress.

Program outcomes :

1. **Increased national integration:** Through events and the "Ek Bharat Shreshtha Bharat" initiative, the programs are expected to translate national integration from a ceremonial event into a people's movement.
2. **Enhanced citizen engagement:** A key outcome is inspiring active citizen participation in upholding national integrity, patriotism, and harmony.
3. **Strengthened sense of identity:** The celebrations are intended to promote a shared national identity and a sense of belonging among citizens, particularly the youth.
4. **Greater awareness of diversity:** Cultural programs will showcase the richness of India's diverse cultures, transforming diversity into a source of collective strength.
5. **Increased self-reliance:** The theme's focus on self-reliance aims to encourage a cooperative spirit for national progress.
