MEMORANDUM OF UNDERSTANDING / AGREEMENT

This memorandum of understanding is signed on the **10/06/2021** between the following institutions.

KRINYDI TECHNOLOGIES, HYDERABAD

AND

SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY

This memorandum of understanding is proposed in order to establish a teaching lab facility using Analog and digital communication system kits at **Sri Venkateswara College of Engineering and Technology (SVCET)**, Etcherla Srikakulam Andhra Pradesh, 532410. Through this memorandum of agreement, the two parties agree the following.

A steering committee will setup to monitor the activities of MOU. The committee will consist of **Principal Dr S C V Ramana Murty Naidu, Head of the Institution**, here in after referred to as SVCET and **Mr. T. Vamshi Krishna Manager of Krinydi Technologies** with mutual consent. The steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far as the implementation of the activities of MOU, continuation of the MOU and termination of the MOU are concerned.

1) AREAS OF COLLABORATION

- a) Technical Trainings
- b) Internship
- c) Technical Workshops
- d) Joint research projects/proto types
- e) R & D cell establishment

2) Lab setup: The college will be utilizing their existing lab to setup **Digital communication system lab** agrees to donate kits to college under JNTUK university course to setup **Digital communication system lab**. The college will be responsible for purchasing any other equipment's required to set up the lab for maintenance of the lab. **KRINYDI TECHNOLOGIES** agrees to set up the lab and provide the necessary initial training and learning materials to begin with utilization of lab.

KRINYDI TECHNOLOGIES

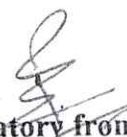

Exploring Electronics

3) **Curriculum:** The college will explore ways to introduce a lab-based courses using **Digital communication system kits** in their UG/PG engineering curriculum **communication system kits** in their UG/PG engineering curriculum.

4) **Workshops:** If the college wishes to organize a national event in the area of **Digital communication** platform. **KRINYDI TECHNOLOGIES, HYDERABAD** Will provide speakers.

Validity of MOU: The MOU is valid for period of one year from the date of signing by the authorized signatory of each party

Authorized Signatory from Institution

MEMORANDUM OF UNDERSTANDING

BETWEEN

Sarada Institute of Science Technology and Management
Ampolu Road, GaraMandal, Srikakulam, Andhra Pradesh 532404 (I party)

&

Sri Venkateswara College of Engineering & Technology (SVCET)
Etcherla, Srikakulam,
Andhra Pradesh -532410 (II party)

This Memorandum of Understanding is entered into the 09th Day of July, 2021 between

Sarada Institute of Science Technology and Management
Ampolu Road, GaraMandal, Srikakulam, Andhra Pradesh 532404 (I party)
and

Sri Venkateswara College of Engineering & Technology (SVCET)(II party)

Objectives of MOU:

The purpose of M.O.U is with reference to exploring the areas of co-operation, benefitting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaningful linkages between the Institutions.

(Approved by AICTE, New Delhi & Affiliated to JNT University, Kakinada)
Ampolu Rodd, **SRIKAKULAM-532 404**. A.P.
Ph : 08942-645646, 645130, 645124, Fax : 240187

- iii. To achieve excellence in Technical Education through an attitude of Outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching, and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.
- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

1. The validity of the agreement is one years from the date of agreement.
2. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Signed by signatory representative of parties to this MoU.

ETCHERLA, Srikakulam-532410 (A.P)

SARADA

(Approved by AICTE, New Delhi & Affiliated to JNT University, Kakinada)

Ampolu Road, SRIKAKULAM-532 404, A.P.

Ph : 08942-645646, 645130, 645124, Fax : 240187

Address of Party one:

Sarada Institute of Science Technology and
Management Ampolu Road,
GaraMandal, Srikakulam
Andhra Pradesh 532404

Address of Party Two:

SriVenkateswara College of Engineering &
Technology Gara Mandal,
Etcherla, Srikakulam,
Andhra Pradesh AP-532410, India.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer joint electives;
- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Dual degree programs;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering (see appendix 1),

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Cooperation in Education and Research

If two faculty members from each institution are engaged in collaborative research projects, doctoral students at one institution may visit and work in the lab of the faculty member at the other institution and incorporate the work done as part of their dissertation research. When connected to funded research projects, the host institution will endeavor to provide a stipend for the visiting doctoral student.

Responsibilities of home institution for academic semester or academic year exchanges:

The home institution will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year abroad (e.g., medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.

total cost of each course will differ according to the location of the host country and the nature of the course being taught.

Students will bear the cost of:

- Their own health insurance and any medical bills or non-mandatory fees;
- Food, living expenses, and any other costs relating to the exchange;
- Books and necessary academic supplies necessary for the course.

The number of credit hours each student will earn will depend on the nature and length of the course and by the department/faculty offering the course.

The primary contacts for this MOU are for Grease Bolts and Provost for SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY. As previously noted, the parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two institutions will require the approval of appropriate officers from each institution. All agreements and activities covered under this MOU or entered into by the parties must comply with all applicable laws and regulations, including all U.S. and India export control laws and regulations.

Appendix 1 (Sample)

The Collaboration will initially focus on developing partnerships in the areas of Sustainability

Rationale

There are strong similarities between SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and GREASE BOLTS, particularly from a planning/ facilities/ sustainability standpoint. Both Institutions:

- have suburban settings;
- are currently undertaking the largest capital development programs in their histories;
- have similar enrollment numbers;
- have a commitment to maintaining a sustainable campus environment.

Potential Activities

- Student exchange/visits/scholarship between SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY and GREASE BOLTS .

WHEREAS:

- A. First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- B. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- C. Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.
- D. Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

I. CO- OPERATION

- 1.1 Both Parties are united by common interests and objectives and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

II. SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First & Second Party will share valuable inputs to the in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Skill Development Trainings:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs

S INNOVATIONS
PVT LTD

- 2.4 / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Value Added Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready. Both Parties have agreed to carry out the joint research activities in the fields of AI, ML, Embedded Systems, IoT, VLSI, Electric Vehicle, Renewable Energy, Software Domains and any technology domains that the Second Party has expertise through.
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the above fields
- 2.7 **Guest Lectures & Faculty Development Programs:** Second Party to extend the necessary support to deliver guest lectures and coordinate Faculty Development Programs to the Staffs and student community, who have / will enroll with the First Party on the technology trends and in house requirements.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students into internships / jobs.
- 2.9 **Internship:** Second Party will engage and train the students as per the industrial demands in terms on Internship Programs
- 2.10 **Projects and Research Work:** Second Party will provide the necessary support to the student's community to complete their projects and the research works.

MEMORANDUM OF UNDERSTANDING (MOU)

between

EDIGI SKILLS

and

SRI VENKATESHWAR COLLEGE OF ENGINEERING TECHNOLOGY

This is an agreement between "Sri Venkateswara College of Engineering & Technology", hereinafter called (Dr. S C V RAMANA MURTY NAIDU) Principal and "EDIGI SKILLS", and hereinafter called (Krishna.ch) Managing Director.

I. EFFECTIVE DATE AND SIGNATURE

This MOU shall be effective upon the signature of Parties A and B authorized officials. It shall be in force from 04/08/2020

II. PURPOSE & SCOPE

The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under **Sri Venkateswara College of Engineering & Technology**.

1. Organize various workshops on Entrepreneurship Development
2. Conduct practical trainings on Entrepreneurship Development
3. Generate self-employment opportunities
4. Assist the students in establishing various start-ups
5. Arrange the placement of trained students

III. College Profile And Responsibilities

Sri Venkateswara College of Engineering & Technology was established in the Academic year 2021-2022 with the sole objective of catering to the needs of quality technical education in an area, though remotely situated, bristles with potential for development.

IV. EDIGI RESPONSIBILITIES UNDER THIS MOU

[EDIGI SKILLS] shall undertake the following activities:

- I. The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- II. The interaction between Industry and College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- III. The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- IV. The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- V. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

V. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

- I. This Memorandum of Understanding shall become effective upon signing by both Parties and shall remain in effect for a duration of ONE (1) years. It may be extended for another duration with mutual agreement.
- II. The MoU may be terminated by either Party by giving three months' notice and settling all outstanding dues, if any, within that period.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY

&

ANU DIGITAL SOLUTIONS

FOR

**TRAINING, PLACEMENT, SKILL DEVELOPMENT, R&D SERVICES AND
OTHER ACADEMIC MATTERS**

(To be signed and sealed on each page by both the Parties)

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MoU') is entered into on this (20/08/2020), by and between (20/08/2021)

ANU DIGITAL SOLUTIONS, THE SECOND PARTY, and represented herein by its **Mrs. SIRISHA. D**, Director (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

AND

SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY, Etcherla, Srikakulam,, Andhra Pradesh. 532410. THE FIRST PARTY represented herein by its **Dr. S C V RAMANA MURTHY NAIDU**, Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

First Party, **SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY** is located in Etcherla, Srikakulam,, Andhra Pradesh. 532410.. First Party, **SRI VENKATESHWARA COLLEGE OF ENGINEERING TECHNOLOGY** was established in the Academic year 2001-2002 with the sole objective of catering to the needs of quality technical education in an area, though remotely situated, bristles with potential for development. A self-financed college sprawling over 27 acres of land of scenic landscape has been laid out to create a unique learning environment. The college is located 5 kms away from Yemmiganur town on Yemmiganur - Kurnool Road.

Second Party, **ANU DIGITAL SOLUTIONS**, located in the city of Hyderabad was established in the year 2016 and is registered as <http://thestageproductions.in/>. **ANU DIGITAL SOLUTIONS** is a group of expert specialists, consultants, designers and digital marketers experienced in everything Software & IT related. Our mission is to give excellent innovative and supportable arrangements while creating enduring customer connections.

Our vision is to set another standards in Digital Marketing and Developing Software's at empowered administrations. The Parties believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

- 1.1 The Parties intent to cooperate and focus their efforts on cooperation within area of Training, Placement, Education, Consultancy, Research and other Technical matters.
- 1.2 Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

2. CO-OPERATION

- 2.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- 2.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 2.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MoU.
- 2.4 The terms of cooperation shall be mutually decided between the Parties on case-to-case basis. This MoU shall represent the entire understanding as to the subject matter hereof and shall encompass any prior understanding between the Parties on the subject matter hereof.

3. SCOPE OF THE MoU

- 3.1 The talented students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both Parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 3.2 **Curriculum Design:** Second Party may participate in this process as and when the First Party extends invitation for such activity. The cooperation may be sought in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 3.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party may permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with First Party.
- 3.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of their expertise. The outcome of the R&D would be subject to the INTELLECTUAL PROPERTY section of this MoU.
- 3.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready and vice-versa.
- 3.6 **Expert Lectures:** Second Party to extend the necessary support to deliver expert lectures to the students of the First Party on the technology trends and in-house requirements and vice-versa.
- 3.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the requirement in concerned sector/specialization, if available and vice-versa.
- 3.8 **Training and Placement of Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for the students.

- 3.9 **Consultancies, R&D and other Academic Matters:** The Parties will extend cooperation to each other in such a manner that it is mutually beneficial but does not create a conflict of interest on either's part. If such situation arises, the terms mentioned in the ARBITRATION section of this MoU would be resorted to.
- 3.10 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 3.11 There is no financial commitment on the part of the First Party. However, in case of sponsored/financially supported or externally funded programs, the liability of the First Party will be limited to the extent of financial benefit of First Party or may be decided by the competent authority of First Party in the interest of students.
- Each Party agrees that it shall not, at any time, after executing the activities of this MoU, disclose any information in relation to these activities or the affairs of business or method of carrying on the business of the other without consent of both Parties.
- 3.12 It is expressly agreed that First Party and Second Party are acting under this MoU as independent entities, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

4. INTELLECTUAL PROPERTY

- 4.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.
- 4.2 The rights of the First Party are reserved through the IPR Policy of the First Party. Notwithstanding anything, any consequence arising out of this MoU would not infringe/contravene any of the provisions of the IPR Policy of the First Party.

5. ARBITRATION

- 5.1 Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultations and agreements by both Parties.
- 5.2 In the event of non-resolution of disputes through mutual consultation, the Parties hereby submit to the exclusive jurisdiction of the Telangana Courts of Law. The arbitration shall be conducted in accordance with Arbitration and Conciliation Act of 1996 and the venue of the arbitration shall be in Kota jurisdiction of dispute.
- 5.3 FORCE MAJEURE: In no event shall the Parties be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God.
- 5.4 It is being understood that the Parties shall use reasonable efforts which are consistent with accepted practices in the academia to resume performance as soon as practicable under the circumstances.

6. DURATION

- 6.1 This Memorandum of Understanding shall become effective upon signing by both Parties and shall remain in effect for a duration of ONE (1) years. It may be extended for another duration with mutual agreement.
- 6.2 The MoU may be terminated by either Party by giving three months' notice and settling all outstanding dues, if any, within that period.
- 6.3 If a sponsored or joint project is underway at the termination of this MoU, the MoU would be deemed to have been extended till the completion of the Project. At the termination of the MoU or any joint project, any property created in execution of joint projects shall remain *in-situ*.

- ROBOION and Sri Venkateswara College of Engineering & Technology will jointly certify the participants of training programme after successful completion.

5.GeneralAgreements

- Both the parties agree that no action/failure on either behalf to act relating to the above proposal will give raise to/serve as the basis for any claim, obligation or liability on either side.
- The trainers of ROBOION are not responsible for any damage / malfunction of hardware or computer system in the Sri Venkateswara College of Engineering & Technology labs during the training period.
- The labs identified for training has to be looked after by the respective lab in-charge of the college.
- Neither party shall issue any press release, public announcement or other such disclosure concerning this Agreement without the other party's prior consent as to such release or announcement.
- This Agreement may not be amended without the prior written consent of both the parties.

Termination: Either party can cancel or terminate this Agreement unilaterally (and with out reason), by giving an advance notice of six (6) months to the other. This agreement will be for one year with affect from the date of signing.

3.Course deliverables:

The courses that could be offered from Sri Venkateswara College of Engineering & Technology- ROBOION Technology Centre at the partner Sri Venkateswara College of Engineering & Technology and the number of beneficiary student are tabled here under:

MEMORANDUM OF UNDERSTANDING

BETWEEN

*Avanthi's St. Theresa Institute of Engineering & Technology
Garividi(Cheepurupally),*

Vizianagaram(District)-535101,AP.(Iparty)

&

Sri Venkateswara College of Engineering & Technology(SVCET)

Etcherla, Srikakulam,

Andhra Pradesh -532410 (II party)

This Memorandum of Understanding is entered into the 22nd Day of October, 2021 between

*Avanthi's St. Theresa Institute of Engineering & Technology (I party) and
Sri Venkateswara College of Engineering & Technology(SVCET)(II party)*

Objectives of MOU:

The purpose of M.O.U is with reference to exploring the areas of co-operation, benefitting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaning full linkages between the Institutions.
- iii. To achieve excellence in Technical Education through an attitude of Outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching, and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.
- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Committed for achieving Excellence in Technical Education

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms&Conditions:

1. The validity of the agreement is two years from the date of agreement.
2. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Signed by signatory representative of parties to this MoU.

MOU

This Memorandum of Understanding (MOU) is made on this 28th OCTOBER, 2021 between:

Sir C R Reddy College of Engineering, Vatluru, Eluru, Andhra Pradesh, India, represented by its **Principal, Dr. K. Venkateswara Rao, Head of the Institution** here in after referred to as **Sir CRRCOE**.

AND

Sri Venkateswara College of Engineering and Technology, Etcherla, Srikakulam Andhra Pradesh, 532410 represented by its **Principal Dr. S C V Ramana Murty Naidu, Head of the Institution**, here in after referred to as **SVCET**;

Both **Sir CRRCOE** and **SVCET** are collectively referred to as the Parties and individually as a Party.

Whereas, **Sir CRRCOE** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, **SVCET** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

Now Therefore, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property

rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.

- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<u>Sir CRRCOE</u> Name of the Coordinator: Dr M. KRISHNA Designation: Professor, CSE Dept , Sir CRRCOE Emailid:marlapallikrishna@gmail.com Contact No. : 9394501367	<u>SVCET:</u> Address: Sri Venkateswara College of Engineering and Technology, Etcherla, Srikakulam Andhra Pradesh, 532410s Contact Details: 9440535787 E-mails: principal_svcet@yahoo.com Web: www.svcet.net
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of ONE year from **October 2021 to October 2022**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

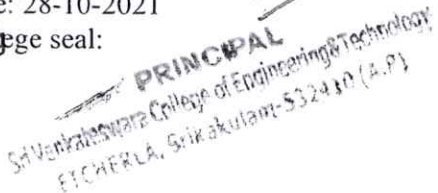

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Vijayawada, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Vijayawada, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Memorandum of understanding for academic linkage

Between

Venkateswar College of Engineering & Technology, Etcherla, Srikakulam

And

Gayatri College of Science and Management, Munasabpetta, Srikakulam

The main objective of this memorandum of understanding (MOU) is to encourage collaborative activities between the two institutions to enhance quality of education and facilitate teaching learning process. The purpose of this endeavor is to provide opportunities for the development of academic environment of both the colleges by promoting cooperative and mutually beneficial pursuits. This MOU is presented by S C V Ramana Murthy Naidu (Principal, Sri Venkateswara College of Engineering and Technology, Srikakulam) and Dr. Pulakhandam Srinivasa Rao (Principal, Gayatri College of Science and Management) for cultivating academic growth sustenance, as envisaged by UGC and NAAC.

Program and Activities to be encouraged

1. Quality initiatives
2. Conducting lectures and organizing seminars and conferences
3. Online sharing of innovative ideas in teaching learning and e-Governance
4. ICT (Information and Communication Technology) use for innovative pedagogy
5. Exchange of academic information, study materials, scholarly articles and publications
6. Faculty Exchange programs
7. Conducting collaborative research projects
8. Value based cultural and social initiatives
