

4.2.1 Library is automated using Integrated Library. Management System (ILMS), subscription to e-resources, amount spent on books, journals and usage of library.

Sri Venkateswara College of Engineering and Technology (SVCET) has central library and it plays a vital role in enhancing the knowledge of the staff members and students. This modern library is accessible for all the reader since it is housed at 'B' Block. It is well equipped and fully automated with bar code technology and New Gen Lib software. This software is being used for bibliography data of books and periodicals to the Dewy Decimal Classification (DDC) scheme and open access system. The library has computerized catalogue. The online public access catalogue (OPAC) is used to find out the availability of books. Books are used to the staff and students with barcoding system.

There is facility of digital library with 20 computer systems and the seating accommodation of 120 readers. It is working from 8.30 AM to 5.30 PM in all working days and during holidays it is opened between 8.30 AM to 1.30 PM. Above 200 students and more than 50 staff members visit library every day.

This library contains about 26,996 volumes of books with 4831 titles covering all the branches of Engineering, Management, Science and Humanities. There are a number of general books and about 360 project reports are available from all the departments.

Apart from maintaining all the standard books of respective different disciplines with project reports, this library has collection of the rarest books for various competitive examinations like GATE, IES. For having sound knowledgeable information among the student community, there is facility of availability of News papers and magazines. Students can refer to previous semester papers in the orientation of scoring better marks in examinations for their better future.

This library provides e-resources like e-journals and e-books to the faculty member and students. Our library consists of about 800 e-journals and 1000 plus e-books pertaining the disciplines Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics Engineering, Computer Science & Engineering, Sciences, Humanities and Management. We have been subscribing to DELNET for getting e-resources. Every activity is monitored by constituent library committee headed by Principal.
