### Description

Training, Placement and Career Guidance Cell of Sri Venkateswara College of Engineering and Technology has organized a one-day career development program on “**Career Options after B.Tech In India : Jobs, Roles And Salary**” for IV B.Tech students of all branches. A total of 237 Students have attended the program.

The speaker has explained about various possible carrer options after completing BTech in India. Mainly he focused on two approaches for the students, that is either looking for job or continuing to higher studies.

He discussed on the possibilities for the students on joining for Higher Education prospects through GATE, ICET, CAT and so on.

He mainly focused on earnings by joining a Job after B.Tech, Students can join in a private company or opt for PSU Exams.

He also suggested the importance on the campus placement drives and requested all the aspirants to attend the interviews in a regular manner with good preparation.

He suggested about the role and importance of an young engineer in the industries. Hence, all the students have to join in any internship given by the various companies.

The program was conducted successfully with the coordination of the T & P Associates. Students participated actively and interacted with resource person.
