PROGRAM REPORT

Name of the program: Sankranti Sambaralu

Date: 11-01-2019

The management, principal, staff, and students of Sri Venkateswara College of Engineering and Technology celebrated "Sankranti Sambaralu" on the college premises on January 11, 2019.

Sankranthi is one of the most important festivals for Indians and one that holds immense physical and spiritual significance. It is a festival when farmers rejoice at the good harvest and express their gratitude to the sun, the earth, and the cattle for their bountiful blessings. It marks the end of the dull and dry winter and the onset of a colorful and joyous spring.

The students, dressed in their traditional best, decorated the premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolis. Students decorated the "Rangolis" by keeping "Gobemmas" at the center of the Rangolis. The initiative was appreciated by the principal of the college, and in his Sankranti wishes message, he addressed the students to fly high on their dreams and aspirations like a kite, but stay grounded on your values like the string that holds the kite. PROGRAM REPORT

Name of the program: Women's Day

Date: 08-03-2019

The management, principal, staff, and students of Sri Venkateswara College of Engineering and Technology celebrated "Women's Day" on the college premises on March 8, 2019.

Women's Day was celebrated with great pomp and ceremony at the college. The women's staff rooms were decorated with flowers, and every woman staff member was felicitated with a rose bud and a Cadbury chocolate slab.

The purpose of celebrating Women's Day is to raise awareness about the status and dignity of women among students. The students presented the female teacher with a very emotional song. "Meri Maa," the ladies were then led in prayer by the male teacher, who later presented a power point highlighting the need to respect women, look into their every need, and fulfill them on a priority basis.
