6.3.3 List of Teaching and Non-Teaching staff participating in FDPs and MDPs/ATPs during the last five years.

Academic Year: 2021-22

| S.No. | Name of the Faculty | Title of the FDP | Date(s) From - To |
|-------|-----------------------------------|--|--------------------------|
| 1 | CH.SURESH | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 2 | K.DURGARAO | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 3 | P.VENKATESWARARAO | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 4 | R.VENKATESH | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 5 | P.JAGADEESH | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 6 | K.CHANDRASEKAR | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 7 | V.RAMANA | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 8 | T.LAKSHMI | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 9 | S.GANGARAO | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 10 | S.UMADEVI | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 11 | DR.PUDIKIRANKUMAR | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 12 | N.RAMESHNAIDU | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 13 | A.RUKMINI | Entrepreneurship Development | 26.08.2022 to 26.08.2022 |
| 14 | KANCHU BHAGYA LAKSHMI | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 15 | SARIPALLI SWETHA | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 16 | VOONNA HIMABINDU | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 17 | VADAPALLI KALYANA CHAKRAVARTHI | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 18 | KONNI SATEESH | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |

| | | | |
|----|----------------------------------|---|--------------------------|
| 19 | NAMMI SIMHACHALAM | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 20 | PYDI JAGANNADHARAO | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 21 | VYDYABHUSHANA UDAYABHANU | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 22 | NEELAMSETTY LEELARANI | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 23 | NAKKA SAIKRISHNA | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 24 | KINJARAPU GAYATRI | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 25 | DR. GURUGUBELLI VENKATA USHARANI | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 26 | Y. VENKATESH | Recent Advances in Drone Technology Civil Engineering | 20.09.2021 to 25.09.2021 |
| 27 | ANEMAPPARAO | Power Electronics for Renewable Energy System | 27.09.2021 to 01.10.2021 |

CIRCULAR

Date: 28.01.2022

This is to inform all the Faculty members that as part of SVCET's initiative to offer continuous support for the faculty members, A One Week Faculty Development Programme on "ENTREPRENEURSHIP DEVELOPMENT" will be conducted from 07.02.2022 to 11.02.2022. So, all the faculty members are advised to avail the opportunity and participate in the program without fail.

Resource persons:

1. Dr.B.Venkata Rao,
Assoc.Professor, Department of Management Studies,
Miracle Engineering College, Vizianagaram.
2. Dr.k.Satyam,
Professor, Department of Management Studies,
Sri Venkateswara College of Engineering and Technology, Srikakulam.

The Faculty members are required to register their names with the coordinator Mr. P.Venkateswara Rao (9502236098) on or before 07.02.2022.

Venue: Seminar Hall. (Block-A)

Time: 10.00am to 4.00pm.

About the Institution

Sri Venkateswara College of Engineering & Technology, etcherla, Srikakulam (Dist.) was established in 2008 by Vikas Educational Society (1997) with an avowed objective of accelerating the growth of science and technology in srikakulam industrially backward district. SVCET was accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow endowed with highly qualified and eminent faculty on its rolls. Sri Venkateswara College of Engineering & Technology is committed to “Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campus award for 2017 by Govt. of A.P. in 2018.

About Department

The Department was established in 2009. The department offers post graduate program in MBA (Master of Business Administration) with specializations HR, Finance, Marketing.

It has an exclusive departmental library with reference books, in order to develop the innate skills of students. Everyday two hours are dedicated for seminars, team assignments, group discussions and various business economic related activities. Students are encouraged to do regular case studies enabling them to understand the intricacies of management.

The department has well qualified and experienced faculty members supported by trainers. The department adopts the right blend of practical approaches in training the students and placements. Training programme on communication skills, presentation skills, interview skills, resume writing etc., being conducted to enhance the career prospects of students. A series of personality development programs are being conducted to encourage students to improve managerial skills.

VISION:

To enhance the managerial abilities of the students with holistic approach for global employment and entrepreneurship.

MISSION

1. To facilitate and promote excellent learning through knowledge dissemination and training.
2. To promote conducive ambience of learning, growth & professionalism in both students and employees.
3. To inculcate respect for all and to take care of everyone and allow them to manifest their highest potential through the tasks they do.

CHIEF PATRON

Dr. B. Sri Rama Murthy,
Secretary, Vikas Educational Society

PATRON

Dr.S.C.V.Ramana Murthy Naidu,
Principal, SVCET

Convener:

Smt. Dr.k.Satyam, Professor and Head, Department
of Management Studies

Coordinator:

Mr. P.Venkateswara rao,
Assistant Professor,
Department of Management Studies

Resource Persons:

Dr.B.Venkata Rao,
Associate Professor,
Miracle Engineering college
Mob:+ 9490105045
e-mail: k.satyam28@gmail.com

Dr.k.Satyam,
Professor,
Sri Venkateswara College of Engineering and
Technology
Mob:+918897162605
e-mail: venkat.5412@gmail.com

Who can attend:

The faculty members, PG students' research scholars,
and working professionals from various technical
institutes/industry can attend this FDP.

Objective of the program:

The objective of the program is to bring awareness in
the emerging management professionals to
understand themselves knowledge in innovation.

Outcome of the program:

All the participants in a one week faculty
development program on "ENTREPRENEURSHIP
DEVELOPMENT" realize the importance.

IMPORTANT DATES

Last date for registration: 22.08.2022

Intimation to the participants: 12.08.2022

PROGRAM REPORT

Name of the Program: a One Week Faculty Development Program On “ENTREPRENEURSHIP DEVELOPMENT “

Date: 07.02.2022 to 11.02.2022

Time: 10.00AM to 4.00PM.

Resource person's details:

1. Name: B.Venkata Rao

Designation: Professo

Department: MBA

Organization: Miracle Engineering College

Email id: venkat5412@gmail.com

2. Name: Dr.k.Satyam,

Designation: Professor

Department: MBA

Organization: Sri Venkateswara College of Engineering and Technology

Email id: k.satyam28@gmail.com

Coordinator: P.Venkateswara rao, Assistant Professor,

Department of management studies,

Number of Participants: 31

OBJECTIVE OF THE PROGRAM

The objective of the program is to bring awareness in the emerging management professionals to understand themselves knowledge in entrepreneurial skills.

OUTCOME OF THE PROGRAM

All the participants in a one week faculty development program on “**ENTREPRENEURSHIP DEVELOPMENT**” realize the importance.

About the Institution

Sri Venkateswara College of Engineering & Technology, etcherla, Srikakulam (Dist.) was established in 2008 by Vikas Educational Society (1997) with an avowed objective of accelerating the growth of science and technology in srikakulam industrially backward district. SVCET was accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow endowed with highly qualified and eminent faculty on its rolls. Sri Venkateswara College of Engineering & Technology is committed to “Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campus award for 2017 by Govt.

About Department

The Civil Engineering Department of SVCET was established in 2014. The department is currently offering B.Tech in Civil Engineering.

The Civil Engineering Department has the state of art infrastructure with well equipped labs, software and computer center .

They are supported by experienced and qualified faculty. The laboratory facilities are available in all subject areas of Civil Engineering. In addition to the regular curriculum, the department is offering add on courses on communication skills, arithmetical reasoning, programming languages etc. for enriching the competitive knowledge of the students and preparing them for better employability. Students are also engaged in the projects works which demands the needs of social body in the surrounding situations as well as in the research projects. The department is also offering consultancy services in the areas of Material testing, Mix design and Analysis of structures. The clients are from R&B, RWS, Irrigation etc.

VISION:

Emerge as a Center of pre-eminence in Engineering, education, research and services.

MISSION:

M1) To produce graduates with scientific and technical knowledge and excellent engineering skills for professional practice, employment, advanced study and research.

M2) To inculcate professional and ethical values related to industry, society and environment.

M3) To interact with industries, to meet their requirements through employable graduates.

CHIEF PATRON

Dr. B. Sri Rama Murthy, Secretary,
Vikas Educational Society.

PATRON

Dr. S.C.V Ramana Murthy Naidu,
Principal, SVCET

Convener:

V.K.Chakravarthi,
Associate Professor and Head,
Civil Engineering Department

Coordinator:

Miss. N. Leela Rani
Assistant Professor,
Department of Civil Engineering

Resource Persons:

Dr. P. Revanth Kumar,
Assistant Professor,
Department of Civil Engineering,

*Sri Sivani College of Engineering,
Chilakapalem.*

Mr.P. Jagannadha Rao,

Assistant Professor,
Department of Civil Engineering,
*Sri Venkateswara College of Engineering
and Technology, Etcherla.*

Who can attend:

The faculty members, PG students, Research scholars, and working professionals from various technical institutes/industry can attend this FDP.

Objective of the program:

The objective of the program is to bring awareness in the emerging applications of the Remote Sensing and GIS for Civil Engineering professionals to understand themselves knowledge in innovation.

PROGRAM REPORT

Name of the Event:

One Week F.D.P on “Recent Advances in Drone Technology in Civil Engineering”.

Date: 20-09-2021 to 25-09-2021.

Resource Person:

1. **Dr P. Revanth Kumar**, Assitant Professor,
Department of Civil Engineering,
Sri Sivani College of Engineering, Srikakulam.

2. **P. Jagannadharao**, Assistant Professor,
Department of Civil Engineering,
Sri Venkateswara College of Engineering and Technology, Etcherla.

Name of co-ordinator:

Miss. N. Leela Rani

Assistant Professor
Department of Civil
Mobile number: 8985017059
e-Mail ID: civilhod.svcet@gmail.com

Number of Faculty attended : 29

Venue: Seminar Hall, Block - A.

Sri Venkateswara College of Engineering and Technology, Civil Department has organized a One Week F.D.P on “Recent Advances in Drone Technology in Civil Engineering”, for the faculty members from various institutions. By the Resource Persons the highlighted following points are as follows.

Objectives:

- To learn the various challenges in the Topographic Mapping and Land Survey in Civil Engineering Aspects.
- To learn the different challenges regarding the Remote Monitoring.
- To acquire the knowledge regarding Enhanced land Visualization Concepts.

Outcome of the Program:

- The faculty has learned the various challenges in the Topographical Mapping and Land Survey in the aspects Civil Engineering.
- To learn the different challenges regarding the Remote Monitoring.
- To acquire the knowledge regarding Enhanced land Visualization Concepts.

CIRCULAR

Date: 16.09.2021

This is to inform all the faculty members that as part of SVCET's initiative to offer continuous support for the faculty members, A One Week Faculty Development Programme on **"POWER ELECTRONICS FOR RENEWABLE ENERGY SYSTEMS"** will be conducted from 27.09.2021 to 01.10.2021. So, all the faculty members are advised to avail the opportunity and participate in the program without fail.

Resource person:

Dr .K. Bhaskar Rao,

Professor, Department of Electrical and Electronics Engineering,

Vignan's Institute of Information Technology,

Duvvada.

About the Institution

Sri Venkateswara College of Engineering & Technology, Etcherla, Srikakulam (Dist.) was established in 2008 by Vikas Educational Society (1997) with an avowed objective of accelerating the growth of science and technology in Srikakulam industrially backward district. SVCET was accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow endowed with highly qualified and eminent faculty on its rolls. Sri Venkateswara College of Engineering & Technology is committed to “Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campus award for 2017 by Govt. of A.P. in 2018.

About Department

The Department was established in 2009. The department offers post graduate programs in EEE (Electrical and Electronics of Engineering) with specialization Power Electronics, Control Systems

It has an exclusive departmental library with reference books, in order to develop the innate skills of students everyday two hours are dedicated for seminars, team assignments, group discussions and various business and electrical related activities. Students are encouraged to do regular case studies enabling them to understand the Electrical related activities.

The department has well qualified and experienced faculty members supported by trainers. The department adopts the right blend of practical approaches in training the students and placements.

Training program on communication skills, presentation skills, interview skills, resume writing etc., being conducted to enhance the career prospects of students. a series of personality development programs are being conducted to encourage students to improve skills.

ABOUT THE PROGRAM

Who can attend:

The faculty members, PG students' research scholars, and working professionals from various technical institutes/industry can attend this FDP.

Objective of the program:

The objective of the program is to bring awareness in the electrical professionals to understand themselves knowledge in innovation.

Outcome of the program:

All the participants in A One Week Faculty Development Program on "POWER ELECTRONICS FOR RENEWABLE ENERGY SYSTEMS"

Resource person's details:

Name: K. Bhaskara Rao,

Designation: Professor

Department: EEE

Organization: Vignan's Institute of Information Technology,
Duvvada

Mob: + 917995784048

Email id: bhaskar90@gmail.com

Coordinator: K.Praveen, Assistant Professor,

Department of Electrical and Electronics Engineering,

Number of Participants: 30

OBJECTIVE OF THE PROGRAM

The objective of the program is to bring awareness in the emerging electrical professionals to
Understand themselves knowledge in entrepreneurial skills.

OUTCOME OF THE PROGRAM

All the participants in a one-week faculty development program on **"POWER ELECTRONICS
FOR RENEWABLE ENERGY SYSTEMS** "realize the importance.

CIRCULAR

This is to inform to all the Faculty members that the Department of ECE is organizing a one week Faculty Development Program on on “ **Machine Learning Application In Signal Processing And Communication Engineering**” from 04.01.2022 to 08.01.2022. In this regard, all faculty members are requested to attend the above said program.

Resource Persons :

01. Dr. G.Yugandhar,
Professor, Dept. of ECE,
Aditya Institute of Technology and Management (AITAM), Tekkali .
Srikakulam, Andhra Pradesh
02. Mr. P. Mohan Krishna,
Assistant Professor,
Dept. of ECE
Sri Venkateswara College of Engineering and Technology
Srikakulam, Andhra Pradesh

Venue: Seminar Hall, Block-A

Coordinator: Mr. K. Srinivas Rao.

A ONE WEEK FACULTY DEVELOPMENT PROGRAMME (FDP) ON

Machine Learning Application In Signal Processing And Communication Engineering

4th to 8th January 2022

Organized by

Electronics & Communication Department , SVCET Etcherla

About the FDP: Machine Learning often plays a pivotal role in the evolution from data storage to decision-making systems reliant on vast databases, including signals sourced from sensor networks, internet services, or communication systems. This transition necessitates the development of both computational solutions and innovative models. Signal processing stands at the nexus of science and daily life. While the concept may initially appear dauntingly complex, many individuals, including scientists, have been engaging in it unwittingly for years. The essence of experimental science lies in acquiring, shaping, and transforming data, refining it to facilitate enhanced analysis and the extraction of valuable insights. Incorporating concepts of modeling and algorithms elevates these practices into a distinct scientific discipline. The objective of the workshop is to foster synergy between research on Machine Learning methodologies and their practical applications in Signal Processing, encompassing audio, image, and biomedical signal processing domains.

Major Course Contents:

1. Introduction to Machine Learning (ML)
2. Signal Processing Fundamentals and Applications
3. Audio Signal Processing
4. Supervised and Unsupervised Learning Techniques
5. Classifiers: Support Vector Machine, Decision Tree, and Random Forest
6. Dimensionality Reduction Methods: PCA, LDA, etc.
7. Neural Networks, Convolutional Neural Networks (CNN), and Deep Learning
8. Machine Learning for Signal Processing
9. Building Applications with Deep Architectures
10. Pattern Recognition and Image Processing

11. Machine Learning in Computer Vision Applications
12. Convolutional Neural Networks for Audio and Video Processing
13. Modelling and Optimization of Deep Architectures
14. Research Challenges and Case Studies in ML for Signal Processing
15. Case Studies in ML for Speech, Image, and Biomedical Applications
16. Hands-on Session: ML/DL Applications in Speech Processing, Image Processing, and Biomedical Applications using Python and MATLAB

The programme will be conducted by the Resource person from AITAM Tekkali, Academicians in the concerned field are invited to deliver lectures in the programme. Speakers from industries are also expected to deliver as part of the course.

Registration Fee Particulars:

Participants need to pay the Registration Fee Online using the following details:-

| | |
|-------------------------------|-----------|
| Faculty and Research Scholars | Rs.1000/- |
| Industry Participants | Rs.2000/- |

Online Transfer Details

BANK NAME: BANK OF INDIA
A/C.NO: 868625110000003
IFSC CODE: BKID0005665

How to apply:

Participants are required to fill the registration form and scanned it and send to the convenor through email.

Selection Criteria:

Selection will be done based on first-come-first-serve basis to a maximum number of 30 (sixty). Additionally, 10 participants from industry are allowed to participate. The list of selected participants will be intimated through e-mail.

Important Dates:

| | |
|---------------------------|--------------------------|
| Last date (Application) | 30.12.2021 |
| Selection List by E- mail | 31.02.2021 |
| Duration | 04.01.2022 to 08.01.2022 |

A ONE WEEK FACULTY DEVELOPMENT PROGRAMME (FDP) ON

Machine Learning Application In Signal Processing And Communication Engineering

4th to 8th January 2022

Organized by

Electronics & Communication Department , SVCET Etcherla

About SVCET: Sri Venkateswara College of Engineering & Technology, Etcherla, Srikakulam (Dist.) was established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. SVCET is accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow endowed with highly qualified and seasoned faculty on its rolls. Sri Venkateswara College of Engineering & Technology is committed to "Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campus award for 2017 by Govt. of A.P. in 2018.

About Department of Electronics & Communication Engineering:

The Electronics & communication Engineering Department of SVCET was established in 2008. The department is currently offering UG Program B.Tech in ECE and PG Program MTech in VLSI Design .

The Electronics & communication Engineering Department has the state of art infrastructure with well equipped labs, software and computer center They are

supported by experienced and qualified faculty.

Department has the state of art infrastructure with well equipped labs, software and computer center They are supported by experienced and qualified faculty.

The laboratory facilities are available in all subject areas of ECE Engineering. In addition to the regular curriculum, the department is offering add on courses on communication skills, arithmetical reasoning, programming languages etc. for enriching the competitive knowledge of the students and preparing them for better employability. Students are also engaged in the projects works which demands

the needs of social body in the surrounding situations as well as in the research projects. are from R&B, RWS, Irrigation.

Department VISION

Emerge as a Center of pre-eminence in Electronics and Communication Engineering education, research and services.

Department MISSION

M1. To produce graduates with scientific and technical knowledge and excellent electronics and communication engineering skills for professional practice, employment, advanced study and research.

M2. To inculcate professional and ethical values related to industry, society and environment.

M3. To interact with industries, to meet their requirements through employable

PROGRAM REPORT

Name of the Program:

One Week Faculty Development Program on “ **Machine Learning Application In Signal Processing And Communication Engineering**”

Date: 04.07.2022 to 08.07.2022

Resource Person:

1.Dr. D.Yugandhar,

Professor, Dept. of ECE,

Aditya Institute of Technology and Management (AITAM), Tekkali .

Srikakulam, Andhra Pradesh

2.Mr. P. Mohan Krishna,

Assistant Professor,

Dept. of ECE

Sri Venkateswara College of Engineering and Technology

Srikakulam, Andhra Pradesh

Name of co-ordinator:

Mr. K.Srinivas Rao

Assistant Professor

Department of ECE

Mobile number: 9985848985.

e-Mail ID:hodece.svcet@gmail.com

Number of Faculty attended : 28

Venue: Seminar Hall, Block - A.

Sri Venkateswara College of Engineering and Technology, Department of **Electronics & Communication Engineering** has organized a One Week F.D.P on “ **Machine Learning Application In Signal Processing And Communication Engineering** ” for the faculty members from various institutions By the Resource Persons from Various Autonomous Colleges.

SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY

ISO 9001:2015 Certified

(Approved by AICTE, New Delhi, Affiliated to JNTUK, Kakinada)

Office : +91 7901467802, email: principal_svcet@yahoo.com, website: www.svcet.info

Objective Of the program :

- This Faculty Development Program (FDP) aims to cater to young faculty members in engineering colleges and research scholars, acquainting them with the latest trends and challenges in Machine Learning in Signal Processing applications.
- The program will cover essential topics including algorithm design, architecture development, and design methodology. Its vision is to expand knowledge and technology in specialized areas of advanced electronics through research, training, discussions, and brainstorming sessions. It seeks to foster the development of future leaders and innovators among young faculty members, scientists, students, and researchers.

Outcomes of the program :

- Participants would gain a strong theoretical background in machine learning applications relevant to signal processing and communication engineering.
- They would acquire practical skills through hands-on sessions and quizzes.
- The program aimed to enhance the knowledge and skills of faculty members, research scholars, and students in algorithm development, dynamic system modeling, signal processing, image processing, machine learning, deep learning, transfer learning, Python integration, and hardware support using MATLAB and Simulink.

FDP session conducted by Resource person Dr. D.Yugandhar

CIRCULAR

This is to inform to all the Faculty members that the Department of Mechanical Engineering is organizing a one week Faculty Development Program on “ **RENEWABLE ENERGY TECHNOLOGIES & SUSTAINABILITY**” from 20-09-2021 to 24-09-2021 in the Seminar Hall. In this regard, all faculty members are requested to attend the above said program.

Resource Persons :

1.Mr Mr.K.KAMALAKAR,

Asst.Professor, Mechanical Department

Baba Institute of Technology & Sciences, Visakhapatnam-48

2.Dr.N.MAHESH KUMAR,

Assoc.Professor, Mechanical Department,

Sri Venkateswara College of Engineering & Technology.

All the Faculty members required to register their names with the Co-ordinator G.Hareesh on or before 20-09-2021.

Venue : Seminar Hall, Block A

ABOUT INSTITUTION

Sri Venkateswara College of Engineering & Technology was established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls. Sri VENKATESWARA College of Engineering & Technology is committed to "impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values"

ABOUT DEPARTMENT

Mechanical Engineering Department was established in the year of 2009. The Department is offering four year UG program with intake of 120 & Two years PG program in the specialization of "Thermal Engineering" from the year 2014 with intake of 18. The strength of the department lies with dedicated and enthusiastic staff and most of them are well qualified from reputed institutions with different specialization and experienced. The faculty is focused towards inculcating technical creativity in the students along with theoretical as well as practical knowledge. The excellent facilities are available to achieve this aim. The department is having well equipped laboratories and provides excellent facilities for gaining practical knowledge.

VISION

Emerge as a Center of pre-eminence in Mechanical Engineering Education, Research and Services.

MISSION

To produce graduates with scientific and technical knowledge and excellent mechanical engineering skills for professional practice, employment, advanced study and research.

To inculcate professional and ethical values related to industry, society and environment.

PROGRAM REPORT

It is to inform that one week Faculty Development Program on “**RENEWABLE ENERGY TECHNOLOGIES & SUSTAINABILITY**” has been successfully conducted from 20-09-2021 to 24-09-2021 by Mechanical Engineering Department, Sri Venkateswara College of Engineering & Technology.

2.Dr.N.MAHESH KUMAR

Assoc.Professor
Mechanical Department, SVCET

ABOUT PROGRAM

Eminent Resource persons have expressed categorically the importance of **RENEWABLE ENERGY TECHNOLOGIES & SUSTAINABILITY**, All attendees were quite impressed and inspired by the seminar. They exhibit their curiosity and acknowledge the seminar's significance. They consider the attending the seminar is a practical learning opportunity for them.

OBJECTIVES OF THE PROGRAM

The Main Objective of the FDP is to Reduce dependency on fossil fuels and enhance energy security. Mitigate climate change by lowering greenhouse gas emissions. Encourage economic growth and job creation. Improve public health and environmental quality.

The main purposes of Renewable energy Technologies Generating energy that produces no greenhouse gas emissions from fossil fuels and reduces some types of air pollution. Diversifying energy supply and reducing dependence on imported fuels.

OUTCOMES OF THE PROGRAM

Faculty members who participated in the program is to develop in-depth knowledge for the following: Various renewable energy resources available at a location and assessments of its potential, using tools and techniques, Photosynthesis. Estimation of woody biomass, non woody biomass and wastes, ASTM standards.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering & Technology, ETCHERLA was established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed Objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state of the art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls.

ABOUT THE DEPARTMENT

Computer Science and Engineering is a profession that uses science, technology and problem solving skills will acquire knowledge Of the design, implementation, and management of information systems of both hardware and Software.

You will, further, learn to use computing and information technology to help solve existing and potential real-world problems that we face in business, science, and society.. It is a challenging but exciting and rewarding area to study. The department of CSE was established in 2008 with aim of importing high quality technical education in the area with an intake of 60 and Increased to 120 in the year of 2022.. The department of CSE offers many courses that can be chosen as electives by the students of the other departments. The curriculum has been designed to take the college to levels on par with advanced institutes.

VISION

Emerge as a center of Pre-eminence in computer Science and Engineering Education, Research and Services.

MISSION

To produce graduates with scientific and technical knowledge and excellent computer science and engineering skills for professional practice, employment, advanced study and research. To introduce professional and ethical values related to industry, society and environment. To interact with industries, to meet their requirements through employable graduates.

ABOUT THE PROGRAM

Objectives: The objective of leveraging Information and Communication Technology (ICT) in education for online and blended learning is to enhance the quality, accessibility, and flexibility of education delivery. Here are some key objectives.

- i. Enhancing Access to Education:
- ii. Facilitating Personalized Learning
- iii. Promoting Collaborative Learning
- iv. Increasing Engagement

Expected Outcomes: One Week Faculty Development Program on Program on “Use of ICT in Education for Online and Blended Learning” the expected output of using ICT in education for online and blended learning is a transformative shift towards more accessible, flexible, engaging, and effective learning experiences that empower learners to thrive in the digital.

One Week Faculty Development Program on “Use of ICT in Education for Online and Blended Learning”

06.12.2021 to 11.12.2021

One Week Faculty Development Program on

"Use of ICT in Education for Online and Blended Learning" 06.12.2021 to 11.12.2021

| Time/Day | Mon | Tue | Wed | Thu | Fri |
|-----------------|---|---|--|--|---|
| 9:30 - 10:30AM | Inauguration Ceremony | Creating Digital Content | Online Assessment and Feedback | Blended Learning Models | Engaging Learners in Online Environments |
| 10.30 - 11:30AM | Introduction to ICT in Education | Strategies for creating engaging multimedia content | Formative and summative assessment techniques | Flipped classroom, hybrid learning, and station rotation model | Interactive activities, gamification, and social learning |
| 11:30 - 11:40AM | TEA BREAK | | | | |
| 11:40 - 12:30PM | Overview of ICT in Education: Importance, benefits, and challenges | Finding and using free resources for teaching and learning | Quizzing platforms, peer assessment tools, and plagiarism detection software | Combining online and face-to-face instruction effectively | Using discussion forums, social media, and collaborative tools |
| 12:30 - 01:10PM | Learning Management Systems (LMS), virtual classrooms, and collaboration tools | Practical Session on Digital Content | etting up online assessments using tools like Google Forms, Kahoot, or Moodle Quiz | Designing a blended learning lesson plan incorporating online and offline activities | Implementing interactive activities and fostering online collaboration using LMS features and external tools, |
| 1:10 - 02:10PM | LUNCH | | | | |
| 2:10 - 3:30PM | How to integrate ICT effectively into teaching and learning | Creating digital content using tools like PowerPoint, Camtasia, | etting up online assessments using tools like Google Forms, Kahoot, or Moodle Quiz | Designing a blended learning lesson plan incorporating online and offline activities | Feedback from Participants, Distribution of Certificates |
| 3:30 - 3:40PM | TEA BREAK | | | | |
| 3:40 - 4:30PM | Introduction to popular LMS platforms (e.g., Moodle, Canvas) and virtual classroom tools RF/Microwave Filters | online content authoring platforms. | Practical Session on Online Assessment and Feedback | Practical Session on Blended Learning Models | Certificates Distribution, Closing Remarks |

Email: bhaskar.sanapala@gmail.com

Number of Faculty attended: 31

Venue: Seminar Hall, Block - A

Sri Venkateswara College of Engineering and Technology, Department of Computer Science and Engineering has organized a One Week F.D.P on “Use of ICT in Education for Online and Blended Learning” for the faculty members from various institutions by the Resource Person from AITAM, Srikakulam has highlighted following points.

Objectives:

The objective of leveraging Information and Communication Technology (ICT) in education for online and blended learning is to enhance the quality, accessibility, and flexibility of education delivery. Here are some key objectives.

- i. Enhancing Access to Education:
- ii. Facilitating Personalized Learning
- iii. Promoting Collaborative Learning
- iv. Increasing Engagement

About the Institution:

Sri Venkateswara College of Engineering and Technology (SVCET) is one of the colleges functioning under Vikas Educational Society. (1997) is a pioneer in the field of engineering education in Srikakulam district. It was established in the year 2008 under the affiliation of JNTU, Kakinada and approved by AICTE, New Delhi certified by ISO 9001:2015.

SVCET is situated in a spacious 11 acres campus adjacent to NH-16 at Etcherla village. The college is easily accessible to all the districts nearby Srikakulam.

SVCET offers B.Tech Programs in CE, E.E.E, MECH, E.C.E, CSM, & C.S.E, PG Programs, M.B.A, & M.Tech like PE, CS, TE, VLSI & CSE.

SVCET is completely Wi-Fi enabled and equipped with well-established laboratories. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce market able products.

About the Department:

The Department of BS&H, Sri Venkateswara College of Engineering and technology was established in the year 2008. All through its parking history of 14 years. The department has always been on a progressive path, thanks to the experienced and dedicated

Faculty members who have a strong commitment towards providing quality engineering education.

Chief Patron:

Dr. B. Srirama Murthy, Secretary,
Vikas Educational Society.

Patron:

Dr. S.C.V Ramana Murthy Naidu,
Principal of SVCET

Convener:

Dr. P. Prasanna Kumar,

A One Week FDP Program on" Communication & Professional Development "

25-10-2021 to 29-10-2021

Organized by

**DEPARTMENT OF BASIC SCIENCES &
HUMANITIES**

**SRI VENKATESHWARA COLLEGE OF
ENGINEERING AND TECHNOLOGY**

(Under the Management of Vikas Educational
Society, Srikakulam)

(Approved by AICTE, New Delhi and Affiliated to
JNTUK, Kakinada,

VISION:

Emerge as a center excellence and eminence to produce globally competent professionals adorn with social values

MISSION:

Impart a perfect blend of value based, industry relevant, quality education towards employable graduates.

Create facility to become technically competent, communicative and ethically upright.

Objective :

The objective of the program is:-

1. To build consensus and facilitate knowledge sharing to achieve positive change in development initiatives.
2. The use of oral, written, digital, or visual forms of information delivery in work place content.

Outcomes of the program:-

1. Creates better relationships. Relationships built on the solid ground of good communication tend to be storage and can even help participants find opportunities for personal growth.
2. Helps handle conflicts better, increases self-awareness, builds empathy and trust.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering & Technology, ETCHERLA was established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed Objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls.

ABOUT THE DEPARTMENT

Computer Science and Engineering is a profession that uses science, technology and problem solving skills will acquire knowledge of the design, implementation, and management of information systems of both hardware and software. You will, further, learn to use computing and information technology to help solve existing

And Potential real-world problems that we face in business, science, and society.. It is a challenging but exciting and rewarding area to study. The department of CSE was established in 2008 with aim of importing high quality technical education in the area with an intake of 60 and Increased to 120 in the year of 2022 and is affiliated to Jawaharlal Nehru Technological University, Kakinada approved by AICTE. The department of CSE offers many courses that can be chosen as electives by the students of the other departments. The curriculum has been designed to take the college to levels on par with advanced institutes. The department is working for the improvement of Industry – Institute Interaction in terms of academics & research and also for the development of infrastructure to match the needs of the industry.

VISION: Emerge as a center of Pre-eminence in computer Science and Engineering Education, Research and Services.

MISSION: To produce graduates with scientific and technical knowledge and excellent computer science and engineering skills for professional practice, employment, advanced study and research. To introduce professional and ethical values related to industry, society and environment. To interact with industries, to meet their requirements through employable graduates.

ABOUT THE PROGRAM

Objective: The objective of this one-day administrative training program is to develop participants' working proficiency in various essential skills required for administrative roles. Through interactive sessions and practical exercises, participants will enhance their competency in communication, organization, time management, problem-solving, and adaptability, equipping them with the necessary skills to excel in their administrative responsibilities.

Outcome: By the end of the training program, participants will have achieved the following outcomes: Enhanced communication, organizational, and time management skills, Improved problem-solving abilities and decision-making skills, Increased adaptability and flexibility to navigate changes and challenges in the workplace, Greater confidence and proficiency in performing administrative tasks effectively. A toolkit of practical skills and strategies to excel in administrative roles and contribute to organizational success.

Sri Venkateswara College of Engineering and Technology, Department of Computer Science and Engineering has organized a One Day Administrative Training Program on “**Working Proficiency**” from various Departments By the Resource Person from Computer Science and Engineering and Technology, Etcherla, Srikakulam has highlighted following points.

Objectives: The objective of this one-day administrative training program is to develop participants' working proficiency in various essential skills required for administrative roles. Through interactive sessions and practical exercises, participants will enhance their competency in communication, organization, time management, problem-solving, and adaptability, equipping them with the necessary skills to excel in their administrative responsibilities.

Outcomes: By the end of the training program, participants will have achieved the following outcomes:

- Enhanced communication, organizational, and time management skills.
- Improved problem-solving abilities and decision-making skills.
- Increased adaptability and flexibility to navigate changes and challenges in the workplace.
- Greater confidence and proficiency in performing administrative tasks effectively.
- A toolkit of practical skills and strategies to excel in administrative roles and contribute to organizational success.

Overall, the program will empower participants to develop a strong foundation of working proficiency in essential administrative skills, enabling them to perform their roles with confidence, efficiency, and effectiveness.
