## INTERNAL QUALITY ASSURANCE CELL

Academic Year 2022-2023

### COLLECTIVE MEASURES /ACTION TAKEN REPORT

The feedback was collected from students, teachers, parents, and others for the academic year 2021-2022. The feedback data on the facilities of the college was gathered. No major grievance or dissatisfaction was voiced by the stakeholders of the college.

The College however took measures to improve the status quo by adopting novel strategies in teaching and learning. Proposals to develop Infrastructure facilities such as playground, and transportation facilities were submitted, and effective follow-up measures taken. The college also utilized the received fund to improve the library facilities. The IQAC and department heads of our college acted promptly to ensure the smooth implementation of the curriculum. Recommendations by students and teachers on the quality of learning things in application perspective which will benefited to the student the teaching methodologies and practical exposures with eminent speakers form industries and other professional societies in a timely manner to meet the industry requirements which helps overall development of the students for grabbing better opportunities in market.

Students were provided with a variety of opportunities to improve their performance by attending different activities conducted by their respective departments and collects feedback which for further improvements in the program's internal exams. Parents were kept aware about their children's development. To reinforce the bond of confidence, frequent meetings with the parents were held.

IQAC analyzed on the feedback given by the students and other stake holders on curricular activities and co-curricular, library facilities, such as books, magazines, journal sand learning materials, Infrastructure such as hostel, mess, playground, seminar halls, lab facilities, and placement training provided discipline maintained in the institution and academic relationship with the faculty members are highly impeccable.

## INTERNAL QUALITY ASSURANCE CELL

Academic Year 2021-2022

### COLLECTIVE MEASURES /ACTION TAKEN REPORT

The feedback was collected from students, teachers, parents, and others for the academic year 2021-2022. The feedback data on the facilities of the college was gathered. No major grievance or dissatisfaction was voiced by the stakeholders of the college.

The College however took measures to improve the status quo by adopting novel strategies in teaching and learning. Proposals to develop Infrastructure facilities such as playground, and transportation facilities were submitted, and effective follow-up measures taken. The college also utilized the received fund to improve the library facilities. The IQAC and department heads of our college acted promptly to ensure the smooth implementation of the curriculum. Recommendations by students and teachers on the quality of learning things in application perspective which will benefited to the student the teaching methodologies and practical exposures with eminent speakers form industries and other professional societies in a timely manner to meet the industry requirements which helps overall development of the students for grabbing better opportunities in market.

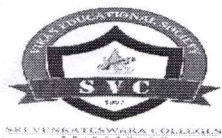

Students were provided with a variety of opportunities to improve their performance by attending different activities conducted by their respective departments and collects feedback which for further improvements in the program's internal exams. Parents were kept aware about their children's development. To reinforce the bond of confidence, frequent meetings with the parents were held.

IQAC analyzed on the feedback given by the students and other stake holders on curricular activities and co-curricular, library facilities, such as books, magazines, journal sand learning materials, infrastructure such as hostel, mess, playground, seminar halls, lab facilities, and placement training provided discipline maintained in the institution and academic relationship with the faculty members are highly impeccable.

## **INTERNAL QUALITY ASSURANCE CELL**

**Academic Year 2020-2021**

### **COLLECTIVE MEASURES /ACTION TAKEN REPORT**

The feedback was collected from students, teachers, parents, and others for the academic year 2021-2022. The feedback data on the facilities of the college was gathered. No major grievance or dissatisfaction was voiced by the stakeholders of the college.

The College however took measures to improve the status quo by adopting novel strategies in teaching and learning. Proposals to develop Infrastructure facilities such as playground, and transportation facilities were submitted, and effective follow-up measures taken. The college also utilized the received fund to improve the library facilities. The IQAC and department heads of our college acted promptly to ensure the smooth implementation of the curriculum. Recommendations by students and teachers on the quality of learning things in application perspective which will benefited to the student the teaching methodologies and practical exposures with eminent speakers form industries and other professional societies in a timely manner to meet the industry requirements which helps overall development of the students for grabbing better opportunities in market.

Students were provided with a variety of opportunities to improve their performance by attending different activities conducted by their respective departments and collects feedback which for further improvements in the program's internal exams. Parents were kept aware about their children's development. To reinforce the bond of confidence, frequent meetings with the parents were held.

IQAC analyzed on the feedback given by the students and other stake holders on curricular activities and co-curricular, library facilities, such as books, magazines, journal sand learning materials, infrastructure such as hostel, mess, playground, seminar halls, lab facilities, and placement training provided discipline maintained in the institution and academic relationship with the faculty members are highly impeccable.

## **INTERNAL QUALITY ASSURANCE CELL**

**Academic Year 2019-2020**

### **COLLECTIVE MEASURES /ACTION TAKEN REPORT**

The feedback was collected from students, teachers, parents, and others for the academic year 2021-2022. The feedback data on the facilities of the college was gathered. No major grievance or dissatisfaction was voiced by the stakeholders of the college.

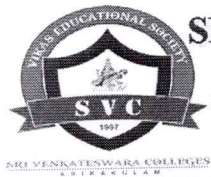

The College however took measures to improve the status quo by adopting novel strategies in teaching and learning. Proposals to develop Infrastructure facilities such as playground, and transportation facilities were submitted, and effective follow-up measures taken. The college also utilized the received fund to improve the library facilities. The IQAC and department heads of our college acted promptly to ensure the smooth implementation of the curriculum. Recommendations by students and teachers on the quality of learning things in application perspective which will benefited to the student the teaching methodologies and practical exposures with eminent speakers form industries and other professional societies in a timely manner to meet the industry requirements which helps overall development of the students for grabbing better opportunities in market.

Students were provided with a variety of opportunities to improve their performance by attending different activities conducted by their respective departments and collects feedback which for further improvements in the program's internal exams. Parents were kept aware about their children's development. To reinforce the bond of confidence, frequent meetings with the parents were held.

IQAC analyzed on the feedback given by the students and other stake holders on curricular activities and co-curricular, library facilities, such as books, magazines, journal sand learning materials, infrastructure such as hostel, mess, playground, seminar halls, lab facilities, and placement training provided discipline maintained in the institution and academic relationship with the faculty members are highly impeccable.

## INTERNAL QUALITY ASSURANCE CELL

Academic Year 2018-2019

### COLLECTIVE MEASURES /ACTION TAKEN REPORT

The feedback was collected from students, teachers, parents, and others for the academic year 2021-2022. The feedback data on the facilities of the college was gathered. No major grievance or dissatisfaction was voiced by the stakeholders of the college.

The College however took measures to improve the status quo by adopting novel strategies in teaching and learning. Proposals to develop Infrastructure facilities such as playground, and transportation facilities were submitted, and effective follow-up measures taken. The college also utilized the received fund to improve the library facilities. The IQAC and department heads of our college acted promptly to ensure the smooth implementation of the curriculum. Recommendations by students and teachers on the quality of learning things in application perspective which will benefited to the student the teaching methodologies and practical exposures with eminent speakers form industries and other professional societies in a timely manner to meet the industry requirements which helps overall development of the students for grabbing better opportunities in market.

Students were provided with a variety of opportunities to improve their performance by attending different activities conducted by their respective departments and collects feedback which for further improvements in the program's internal exams. Parents were kept aware about their children's development. To reinforce the bond of confidence, frequent meetings with the parents were held.

IQAC analyzed on the feedback given by the students and other stake holders on curricular activities and co-curricular, library facilities, such as books, magazines, journal sand learning materials, infrastructure such as hostel, mess, playground, seminar halls, lab facilities, and placement training provided discipline maintained in the institution and academic relationship with the faculty members are highly impeccable.
