7.1.1 Measures initiated by the institution for the promotion of gender equity during the year

Sri Venkateswara College of Engineering and Technology involves teaching gender sensitivity and encouraging behavior modification to eliminate gender discrimination. Gender sensitization helps promote equality for men and women by challenging stereotypes and questioning personal attitudes and beliefs.

Specific facilities provided for women in terms of:

- a. Safety and security
- b. Counseling
- c. Common rooms
- d. Surveillance system
- e. Hostels
- f. Health care center
- g. Girls rest Room

To create gender equity in students and staff, the institute provides equal opportunities to staff and students in all the activities viz., administrative, teaching, co-curricular, extracurricular, sports, committees and cultural etc.

Annual gender sensitization action plan:

In our continued efforts to have a gender discrimination free campus and boost women empowerment, the institute plans to organize programs on the following topics.

- Conduct programs on women empowerment and employment opportunities.
- Conduct awareness workshops on health, hygiene, nutrition.
- Conduct motivational talk by women entrepreneurs, achievers in different fields.
- Counseling girl students to make them independent.

Specific facilities provided for women in terms of:

a. Safety and security

The institute is committed to ensure safety and security to all the students especially to girl students and strictly follow the safety norms in all aspects.

- Both girl's hostel & boys hostels are provided with fire extinguishers.
- The entire institute is surrounded with a compound wall and looked after by trained security 24x7.
- Girls' hostel is equipped with physical fitness equipment.
- Main gate, laboratories, roads, corridors, hostels are equipped with CC cameras are under surveillance monitored at the security office.
- Separate doctors are recruited and available in boys and girls hostels.
- Separate restrooms are provided to girl students.
- Separate dining rooms are provided to girl students in the canteen..
- Lady faculty members are appointed as bus in-charges.
- The college is providing sanitary napkins.

b. Counseling

All the departments have women staff to regularly counsel and address any issues facing by the girl students. For the constructive mentoring and development of students every class is assisted with a class-in-charge.

c. Common rooms

Ladies waiting halls are available in the college campus and first aid facility is available in both the hostels.

CC Cameras & Its Surveillance

The cc cameras covered the girls hostel, the college canteen, the main gate, class rooms and at reception counter, and all are observed by centralized and decentralized surveillance systems.

Report:

Sri Venkateswara Engineering & Technology (SVCET) college organized an awareness program on Gender Equality at Work Place. In this program the speaker Dr.S.C.V Ramana Murthy, Principal addressed the gathering and told us about gender equality prevents violence against women and girls. In some workplaces, women are still considered less than men. Gender equality is a human right. One of the biggest reasons for gender equality is gap between awareness and action.
