**7.1.4. Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens.**

To build a nation of young people with noble dispositions and moral responsibility, Sri Venkateswara Engineering and Technology organizes various activities to create and promote an environment of ethical, cultural, and spiritual values among students and staff. In order to promote the emotional, religious feelings of students and faculty, with the initiative and support of the administration, commemorative days are held on campus to create a sense of unity and social harmony, as well as provide recreation and entertainment.

This educational institution believes in the equality of all cultures and traditions, which is evident from the fact that students belonging to different castes, religions, and regions study without discrimination.

Cultural and community festivals including New Year's, Teacher's Day, Orientation and Farewell Program, Fresher's Program, Plantation, Women's Day, Yoga Day, Ganesha Puja, etc. are organized by the college, its instructors, and staff. Together, the SVCET celebrates numerous festivals. Prominent personalities in the field host inspirational lectures with the goal of shaping students into responsible citizens who uphold the nation's principles of social cohesion, communal peace, and national integration. We have constructed a lot of equipment for a variety of sports activities for the physical growth of students, in addition to intellectual and cultural pursuits. This will support the Institute's efforts to foster an atmosphere that is welcoming to all people and that values tolerance and harmony toward linguistic, cultural, regional, community, socioeconomic, and other differences and initiatives.

The institute promotes the secular, democratic and inclusive values enshrined in our Constitution. Students are encouraged to exercise their fundamental freedoms with a clear understanding of duties too.. All other student clubs and bodies are founded on similar democratic values and participation and membership is open to all. Within the classroom, students are sensitized to present their views through reasoned argument and in a language that does not offend class, caste, religious or ethnic sensibilities. The Gender Cell promotes gender sensitization in all aspects of campus life. Citizenship and constitutional values are also inculcated through specific programmes, courses and projects that are oriented toward the design and application of technologies that lead to the empowerment of economically and socially marginalised citizens of India. Students are encouraged to be mindful of the dignity of labour and treat all those working within the campus as staff and help with kindness and respect. They are also encouraged to participate in cleanliness and campus hygiene drives as part of an education in basic civic responsibilities.. The Institute follows a strict anti-ragging policy as part of a larger initiative to ensure no kind of caste, class or gender based exploitation of discrimination against students nor any kind of verbal or physical abuse is tolerated in campus. SVCET is strongly adhere to have inclusive environment of tolerance , harmony, values and responsibilities of citizens.

## Institution celebrations/Organizes national and International commemorative days, events and festivals:

The Institute aims to inculcate values and nationalism in the students by celebrating the national festivals and birth anniversaries of great Indian personalities in the college campus every year. These celebrations ignite the zeal of patriotism, respect on nation and mankind. The celebrations include flag-hoisting, birthday celebrations of great people like Mahatma Gandhi, Sri Sarvepalli Radha Krishna, M. Viswarayya and so on. The annual report consists the following activities:

### Report:

December 22 was designated as, National Mathematics Day" by government of India in 2012. This day is celebrated every year to mark the birth anniversary of legendary Indian mathematician, Srinivasa Ramanujan. The celebrations aim at spreading awareness about the importance of mathematics and the contributions made by Srinivasa Ramanujan, in the field of mathematics. All over India this day was celebrated by taking various activities like Poster Presentation, Workshops, Mathematics quiz etc. This program chief guest V Chiranjeevi explained "Application of Mathematics". Principle and HODs of all the departments, staff members, students participated in this program.

Report:

### **NSS FORMATION DAY CELEBRATIONS – 2022**

**On the occasion of the “Birth Century celebrations of Mahatma Gandhi” On 24<sup>th</sup> September – 2022.**

NSS Foundation Day (i.e. 24th September) was celebrated by the NSS Unit of SVCET with NSS Volunteers, POs and Staff on 24th September 2022. The programme was planned to commemorate the Foundation Day of National Service Scheme (NSS) which was incepted on 24th September 1969. The main motto of observing this day was to reinforce the spirit of work for the society amongst the NSS volunteers “Not Me But You “. The concept of Voluntary service was promulgated by our Father of the Nation - Mahatma Gandhiji.

#### **Objective of the Program:**

- To remember NSS Formation Day i.e 24<sup>th</sup> September and the Importance of NSS Activities in the community, “Motto”, Social Responsibility and Social service in the community.
- Orientation Program by NSS Programme officer to all NSS Volunteers.
- Sharing of Experiences by seniors to juniors with social activity reports.

Our College Principal, Vice Principal, NSS Programme Officers and HOD, Students around 240 members gathered and OUR NSS VOLUNTEERS Conducted program as scheduled below

### Report:

**“Scientists investigate that which already is; Engineers create that which has never been.”**

- Albert Einstein

SVCET celebrated Engineer's Day on 15th September 2012 in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students. Dr.S.C.V.RamanaMurty Naidu Sir, Principal, SVCET addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands.

## PROGRAM REPORT

DATE: 07.09.2022

Program Name : Teachers Day

Date of activity : 05-09-2022

Venue : Seminar Hall

### Report:

5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher. In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

### Report:

#### NSS FORMATION DAY CELEBRATIONS - 2018

NSS Foundation Day (i.e. 24th September) was celebrated by the NSS Unit of SVCET with 100 NSS Volunteers, POs and Staff on 24th September 2018. The programme was planned to commemorate the Foundation Day of National Service Scheme (NSS) which was inceptioned on 24th September 1969. The main motto of observing this day was to reinforce the spirit of work for the society amongst the NSS volunteers "Not Me But You". The concept of Voluntary service was promulgated by our Father of the Nation - Mahatma Gandhiji.

### Report:

Sri Venkateswara College of Engineering celebrated in grand success. Our Principal narrated about the great personality that when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. Later the Management members gave their views on this great occasion. The HODs, teaching and non-teaching staff, students participated and with the vote of thanks the celebration was ended with a some respect.
